

When A Building, When A Church?

William Flanders

1. When a build - ing, when a church? When your dwell - ing place?
2. When a read - ing, when a prayer? When to You a leap?
3. When a sing - ing, when a hymn? When a com - mon voice?

Be the build - ing one of worth, see we here your face?
Be the speak - ing done with care, will the heart en - treat?
Be the sing - ing full or thin, will You still re - joice?

Hear your voice in what is said? Know you in what's done?
Bid our eyes search far with - in? Bid your king - dom come?
Hear some hon - est har - mo - ny? Beau - ty? Cour - age? Fun?

Can this build - ing, that we love, and your home be one?
Can a lit - ur - gy we read and a prayer be one?
Can the mus - ic of our lives and our hymns be one?
