

NCARC Public Safety Events Cancelled
for Health and Safety due to COVID-19

NCARC normally provides safety communications every year for the Rotary Club and the Big Brothers/Sisters organizations. Due to the Coronavirus and out of regard for everyone's health and safety, gathering in groups during this time period will be questionable and therefore the events have been postponed for everyone's safety.

Rotary Club Bicycle Challenge and the Big Brothers/Sister bicycle events scheduled for June 13th have been postponed due to the Coronavirus. They hope meeting conditions will change by September to reschedule the events.

The Gold Country Trails Council has also cancelled their fund raising event at Skillman horse camp scheduled for June 6th.
