## Planex LHS 225 Drywall Sander

**\$1,210**

The Planex's extendable design, excellent dust collection, and resilient quality are key benefits as to why you need this tool for drywall sanding. The Planex optimizes space with its ability to extend for high walls and ceilings and descend for spaces like hallways and full rooms. This drywall sander particularly works well with the CT 36 E AC dust extractor by how it can adjust the control of suction, has variable speed controls, and utilize the autoclean feature for clean filtration and higher productivity.
