

Hello everyone!

Becky and I are your new District Couple and we are excited!! We started off having a good time at the rally spending time with Warren and Judy Alderson from Chapter M. We both "vied" for the district couple position.

Becky and I have been married for 34 years. While I was working, my schedule had me away from home for 7 days and sometimes 14 days at a time so when we were together we were newlyweds for 2 years instead of one!! I retired in 2015, Becky retired before I did. We've been members of GWRRA since 2009 and have been very happy being associated with Chapter LA-K in Metairie all these years. Becky and I are both in the levels program and are Senior Masters. We both rode motorcycles before we met but it was not till after our son graduated from college that we decided to get a Goldwing. So we bought a Titanium 2008 with navi. The following year we bought Becky a 2009 CSC trike. Between the two of us we have around 200,000 miles of riding. In 2016 we bought a new 2015 40th anniversary edition second generation 1800 in Silver.

Our goal is to visit each Chapter for one of their meetings and promote the Couple Of The Year program and just have fun!!!

Keep the shiny side up and the rubber down!!

Mike and Becky Stevenson

Louisiana District

2019 - 2020 Couple of the Year
