About the outlaw class

In an effort to provide more fun for all ages Pack 4034 in conjunction with Troop 306 is offering Granby's first annual Outlaw class where the regular PWD rules do not matter. This race will follow the regular PWD race. A trophy for 1st place is offered along with a lifetime of bragging rights for winning the first one.

Buy in: \$35 entry fee includes cost of car kit. For \$10 more you can elect for a scout to build your car (no guarantees on winning though). The \$10 will go in full to the scout account of the scout that builds your car. Custom company logo stickers for your car can be made available.
