

MIT MINERALS-TECH BRW

Mineral Tech Beet Roll Wire™

- Finally a product that **both-build up & hard face** your sugar beet roll grab rails
- Flux cored
- Runs like butter
- Goes on smooth
- Efficient slag free & high deposition
- Stabilization with nickle & other metals add to crack free resistance
- Rolls stay in the field longer
- It is cheaper to maintain your farm implements than buy new equipment

WHAT TO EXPECT FROM US AS YOUR SUPPLIER

- A foundation of newness
- A constant stream of innovation
