## Rotary Speech Contest

Congratulations to the three participants in our Rotary Speech Contest. The topic was "Making a Difference", and these young women gave us hope for future generations.

Mia Remus was the first place winner and spoke about her involvement in FFA and in the community. After Graduation, she hopes to attend Cal Poly and major in Agriculture Business. Mia is now qualified to participate in the Rotary District 5220 Speech Contest.

Bethany Standridge, second place winner, spoke about the people who have made a difference in her life and encouraged her to rise above an unfortunate childhood situation. She is involved in the Sheriff Explorer program, and plans to enter law enforcement upon graduation.

Kyllie Remus, third place winner, is a Freshman at Calaveras High, and spoke about her participation in FFA and community projects. She plans to become an Orthodontist, and hopes to work with disadvantage children.

Three fine examples of the outstanding students attending Calaveras High School. We wish you the very best, and hope all of your dreams come true.

*Note: Due to the (hopefully temporary) closure of La Contenta Golf Course, the club will be meeting at the Jenny Lind Veterans Hall, 300 Daphne Street, Valley Springs.*

"I was in a terrible accident on my way to work. My diet crashed into a box of doughnuts!"
