STATEMENT OF COMMITMENT

We, as parents/guardian are accepting the challenge to "train up a child in the way he should go", and will carry on this training in our home. We promise that our home will be a secure haven of safety, free from harmful influences. We understand that we are responsible for being the teachers of our children and SLI is our tutoring support who assists in guidance and instruction. We agree to review our child's schoolwork on a daily basis and provide, teaching, guidance, and instruction.

We will work closely and cooperatively with teachers and administrators to aid in our child's education and to solve any school-related problems.

We understand and agree that the Administration of SLI has the responsibility and freedom to determine when it is in the student's and/or school's best interest for a student to withdraw.

We understand and agree that SLI has the authority to train and discipline our child as necessary according to typical parenting and law. This includes the right to suspend or expel the student if necessary.

We understand that the SLI faculty and staff have passed background checks and E-Verify.

We understand and agree that official acceptance is based on review of transcripts, personal interview results, and availability of enrollment space.

We agree to make our tuition payments by the 1st day of each month. SLI suggests that parents use AUTO PAY from their bank accounts to assure there are no delinquencies. Checks can be made out to SLI or Sovereign Learning Institute at 4045 Five Forks Trickum Rd Ste D17-286, Lilburn, GA 30047. If PayPal or credit cards are used, there will be a 3% fee imposed to cover credit card costs and processing fees. Check which payment plan you will be on:

___The 10 month plan starts July 01, 2016 through April 01, 2017 (\$330/mo.) and

___The 12 month plan starts June 01, 2016 through May 01, 2017 (\$275/mo.)

We will abide by the following payment policies. Payments received after the 1st day of the month will be subject to a \$25 late fee. If your payment becomes 20 days delinquent you will receive a notice from the office after which you will have 5 days to make payment, including late fees. If overdue payments are not received by the 1st day of the following month your child will not be allowed to attend classes. This policy will be in force until such payments are brought current.

We agree to pay \$10 per early drop-off and late pick-up throughout the week. Early drop-off is before 7:50am and late pick-up is after 3:40pm. **We will contact SLI to schedule the times for early drop-off and late pick-up by 6pm the day before or agreed upon weekly schedule.** We will abide by the following payment policy for early drop-off and late pick-up. Fees accumulated throughout the week will be billed on the Monday after the week and the payment paid by Friday. If payment is not received by Friday, the student will not be allowed early drop-off and late pick-up until full payment is received.

Sovereign Learning offers testing services to fulfill GA requirements for \$50 (testing takes place in the spring). We agree to pay for the SLI testing fee before testing takes place and all testing materials needed including administrative manuals. "Georgia's Home Study law (GA Code Ann. 20-2-690-(c)(7), requires that children take a national standardized achievement test every three years, beginning at the end of the third grade. These test scores are NOT to be submitted to public school authorities, but are only to be seen and kept on file for at least 3 years by the parents. There is NO exit exam required of home school high schooled students to graduate."

Advertising is expensive and drives up the costs for the Institute. We agree to promote SLI and spread the word about schooling to empower parents. In return, **SLI will reduce one month tuition by \$30 for every referral that attends SLI for the school year (e.g., 10 referrals = \$300 off)**. Please ask SLI for information to promote the school. SLI provides postcards, business cards, brochures, etc. to hand out. You can put your name on them and hand them out to your family, friends, and acquaintances. If you know someone (business/individual) who would like to make extra money, they can promote SLI and make \$15 per referral that attends SLI for the school year.

We agree to pay for any field trips taken with SLI. Payment will be paid before the field trip commences. If payment is not received, we will keep our child home that day.

We give SLI permission to use images and audio of parents and students for the purposes of promoting the Sovereign Learning Institute in print, online, recordable media etc.

We understand and agree that enrollment at SLI is a privilege, not a right; and pledge further that, should our child be accepted as a student in the school, we will do everything possible to have our child complete the entire academic year, realizing that another student and family have been denied this privilege as a result of our enrollment.

We understand and agree that if, despite our efforts to the contrary, our child is unable to complete the school year all prior tuition payments, application fees, and registration fees are non-refundable.

We understand that the school is located at World Life Church 495 S. Perry St. Lawrenceville, GA 30046. The mailing address is 4045 Five Forks Trickum Rd Ste D17-286, Lilburn, GA 30047.

We agree that the information provided in this application is accurate. We, as parents/guardian of the student applicant, sincerely give our pledge to all items as stated above, and affix our signature as a witness to that fact.

Curriculum

You are encouraged to consult with Dr. Todd C. Clark, in person or over the phone, to assure a challenging and balanced academic schedule. Sovereign Learning Institute recommends using the Ron Paul Curriculum, Robinson Curriculum, LU Online Academy, Rosetta Stone, Khan Academy, and others. **Please go through the SLI website to enter these sites. SLI will receive funding for referring you.** Nevertheless, you may choose other programs if you wish.

Ron Paul Curriculum: Dr. Ron Paul created his curriculum using specialists in their field of expertise and members of the homeschooling community. This curriculum is similar to the Robinson Curriculum in that both use original sources and the classics. The Ron Paul Curriculum uses more technology to motivate and teach students. Students will use YouTube videos, WordPress, and various websites for learning. The costs for the Curriculum are \$250 for tuition and \$50 per course for grades 6-12, and free curriculum for grades K-5. Please see the Ron Paul Curriculum for complete details. Having a computer is necessary for this curriculum. Parents need to provide a laptop for their child to work on at the institute. All printing must be done at home. This would be a great option for a student who uses technology. Can you visualize your child as an entrepreneur, businessman, economist, inventor, advertiser, craft or tradesman, artist, etc.? This may be the program for your child. **Please go through the Sovereign Learning website and SLI will receive referral funds in return.**

Robinson Curriculum: Dr. Art Robinson designed this self-teaching curriculum from the greatest writers in the English language (The Classics). The cost for the Robinson Curriculum is \$195, and \$275 for the Robinson Curriculum and the G.A. Henty Collection for grades K-12. The recommended Saxon Math is \$95 per course. Please see Robinson Curriculum for complete details. Bringing a computer to the SLI is not necessary for this curriculum. You can print out the curriculum at home and have your child bring the materials to the Institute. This would be a great option for a student who is motivated, determined, and willing to reach the highest of knowledge and academics. Can you visualize your child in the fields of medicine, engineering, law, science, academia, etc.? This may be the program for your child. **Please contact Sovereign Learning Institute if you purchase the Robinson Curriculum on their website and SLI will receive referral funds in return.**

LU Online Academy: Liberty University (LU) offers an online academy for Kindergarten through 12th grade, which is an accredited home school program. LU provides a Christian curriculum that will help students enter college with the accreditation requirements that many colleges seek. The costs are approximately \$1,485 for K-1 grades per year, \$2,475 for 2-8 grades per year, and \$495 for 9-12 grades per subject, and grades can be applied for college credits at LU. Please see LU Online Academy and Dr. Clark for complete details. This would be a great option for older students who need to finish courses before entering college or students who want credit toward college. In addition, parents who want the curriculum and teachers accredited would find this program necessary. A computer is necessary at SLI to use this curriculum. All printing must be done at home. **Please contact Sovereign Learning Institute to purchase and process LUOA classes.**

Rosetta Stone: This is a wonderful program for students to learn English and 24 other languages from around the world. Rosetta Stone has a specific programs for K-12 students that are context-based, build fundamental language skills, and use immersion methodology. **Please go through the SLI website to purchase Rosetta Stone courses and SLI will receive referral funds in return.**

Khan Academy: This is a free online program that offers courses in all areas of math, science, economics and finance, arts and humanities, computing, test prep, etc.

Home Schooling Rules and Information

Please go to the Georgia Home Education Association at www.ghea.org for complete details on how to get started with home schooling, laws, forms, and other curriculum suggestions. GHEA has a membership for \$25 per year with many added benefits. SLI recommends having this membership. Another important home school organization is the Home School Legal Defense Association at www.hsllda.org. HSLDA is a “nonprofit ministry to defend and advance the constitutional right of parents to direct the education of their children and to protect family freedoms.” Membership costs \$120 per year. This organization provides legal help for you throughout the year and fights for your rights. SLI recommends having HSLDA, **please go through the Sovereign Learning Institute website and SLI will receive a portion of the funds for referring you.**

This information is from GHEA “Visit www.gadoe.org

Scroll down under the "Parents" heading and click on Home Schools

Click the "Hear" word in red to locate the Declaration of Intent Form

Please note that you do not have to indicate if your child is special ed. You may leave that unchecked. The law only requires a name and age.

The date you will use as the beginning date for the home study program is the date you actually began the school term. If you are pulling your child from the public or private school to begin homeschooling in the middle of the year you will use the date your child began school in his/her current school. (Example: August 13, 2013) the ending date will be August 31, 2014. You are required to complete 180 days, including the current school plus all the homeschool days.

The law does not require you to enter the district you live in.

THIS IS VERY IMPORTANT: Once you submit this form, a copy of this form will reappear on your screen with a 30-36 digit code typed in the parent signature line. Be sure to print this form. This is the only copy you will receive. Once it leaves the screen it will be gone and you cannot get it back. Keep this in your files.

You will submit a new DOI each year. You may begin your next school year any month as long as it is by September 1.”

ATTENTION PARENTS: Sovereign Learning is not the educational program. Your educational programs would be the Ron Paul curriculum, Robinson Curriculum, LU Online Academy, etc.
