

# International Clinical Course

**Surgical Phase**

**Prothetic Phase**

**Intensive**

[ 07 IMPLANTS PER STUDENT ]

**DURATION 06 MONTHS**

American Academy of Implant Prosthodontics

CONTINUING DENTAL EDUCATION SINCE 1962

**INTERNATIONAL CERTIFICATION**

## PRESENTATION

The course will contemplate the treatment with implants of partial edentulous and total edentulous patients from its surgical phase to its prothetic phase including the different types of prothetic treatments, prothetic design and prothetic materials, as fixed screwed prothesis, cemented fixed prothesis, immediate loading and mediate loading , Hybrid protheses of immediate and mediate load, implant supported prothesis and implants mucosupported implants.( overdentures).

## TEMARY

- ✓ Hybrid Prothesis
- ✓ Immediate Load Implants
- ✓ Fixed prothesis on ceramic metal implant
- ✓ Fixed prothesis Cad Cam
- ✓ Fixed prothesis on implants in Zirconia

## PROGRAMMING AND CONTENT

SCHEDULE OF ALL SESSIONS : DE 8:00AM – 1:00PM / 3:00PM – 8:00PM

**SATURDAYS AND SUNDAYS  
OF EACH MONTH**

*Includes: Implants, Instrumental for implants, Abutments, Grafts, Patients, Models, Tomography, Laboratory, CAD CAM.*

**Module 2 Module 1**

**Diagnostic Phase** Management of Study Models, Radiographic Phase, Tomographic Phase, Radiographic Guide, Surgical Guide, Selection of Patients for Mucosupported Dentures. Selection of Implant-supported Prothesis, Surgical Phase Placement of Implants

**Surgical phase** Placement of implants. Maxillary sinus lift. Graft Management.

**4K**

CLOSED CIRCUIT

**LIMITED VACANCY**

Module 3  
Module 4  
Module 5  
Module 6

**Prosthetic phase** selection of abutments for mucosal-supported teeth, selection of implant-supported prosthesis pillars, impressions, preparation for prosthetic devices.

**Selection of Definitive pillars**  
Laboratory phase, screw retained prosthesis y cemented retained prosthesis, Test of abutments in patients,, cemented prostheses.

**Structure Test, Substructure Test, Suprastructure Test, Color Selection.**  
Occlusion Records

**Final Cementation,** Polished Occlusion and Maintenance.
