The Prez Says, Hello to everyone and thanks to all who came to the March meeting. We had a very nice day considering it was March in Kansas. This time of year the weather can do about anything. One year we had a March meeting in KCK at Vince Schoenberger's house. I rode there with Darrell Alexander and we came home in a snow storm. There were three Hudson automobiles at our March meeting. Jamie Durand got his 1938 out and on the road for the first trip since the major rebuild of the power train and suspension. It made the 30 mile round trip no problem. He made a full pressure oil system on his Hudson 8 cylinder engine. He and Mike McCall both have them in their cars now, we will see how that works out? I had my Jet and my 1950 super six Hudson there as well. It was a long trip for me, I usually have a 60 mile drive to the Kansas City area but I was only 1/2 mile from this one. After a tire kicking session we went inside and enjoyed some pizza, and chocolate cake that Julie Durand made (yummy).

Those attending were Darrell & Mary Alexander, Jamie, Julie & Ellen Durand, Mike & Jennifer McCall, John Forkner, Bob & Bill Shipley, Marvin & Thelma Sword, Bob & Donna Sullivant, Mel Wise, and me. It was a nice turnout for March and the far west side of our chapter. We held our MO-KAN Chapter elections, the officers will remain the same as last year. No one wanted to be

president so I will do it again. I am not a motivated leader but do what I can to keep things going. Discussion was held on doing a joint meet with the Gateway Chapter to Cuba, Missouri sometime in May or June. Then we talked it over and came to the conclusion that there were a lot of other thing going on that time of year and we didn't want to make it a club event. However, when it is planned some may want to tag along. We also voted to place a half page advertisement in the "Rock the Dells" souvenir program for the 2018 National meet. The cost of that is \$65, Jennie McCall will be in charge of that. Also there was some input from Mike and Jennie McCall about the proposal for the 2020 Big Country Regional in Abilene, Kansas. Next month we will be going to Abilene for our meeting to start looking thing over and meeting with people on a preliminary basis to start getting a proposal ready for the Big Country Meet in May. We have heard of no opposition from any other chapter. This meeting is a driving event for those of you on the East side of the chapter, so you may want to think about making a weekend of it. So be planning on doing that if you are going to Abilene. Some may want to share a ride and carpool to Abilene, if you are friendly it might be fun to have someone to hang out with. Sometimes good ideas are made while traveling and talking as you go.

Hope you all have a great trip to Abilene.

The Prez. *Jim Durand*
