## Synopsis

In its typical creepy, kooky, mysterious, and spooky fashion, the ghoulish Addams family is visiting the graveyard for an annual gathering of all family members, living dead, and undecided, to celebrate what it is to be an Addams. However, the family encounters an unforeseen obstacle when Wednesday decides to introduce her new “normal” boyfriend Lucas to the family. In protest, Uncle Fester enlists the help of the Addams’ ancestors to call an end to the young budding romance. As Wednesday admits that she is falling in love, Morticia, Gomez, and Pugsley worry about her changing ways. As the families of Wednesday and Lucas come together for dinner one fateful evening, chaos ensues and the two families find themselves admitting deep secrets and coming together in ways they never would have imagined. The Addams Family Musical tells the story of love and friendship through adversity, with a comical and macabre yet poignant spin.

## A Message from Trevor

You're all very welcome to the beautiful Theatre Royal this evening for Theatrebox's production of The Addams Family. I'm thrilled that we're all here, particularly so for the cast because they have worked so very hard to bring you a fun and entertaining show. You're in for a treat! I'm excited also for the younger children in the cast, for whom this is their very first show!

'THE ADDAMS FAMILY' is a comical feast that embraces the wackiness in every family, features an original story and it's every father's nightmare: Wednesday Addams, the princess of darkness, has grown up and fallen in love with a sweet, 'normal' young man from a respectable family – a man her parents have never met. Her father Gomez Addams must do something he's never done before – keep a secret from his beloved wife, Morticia. Everything will change for the whole family on the fateful night they host a dinner for Wednesday's 'normal' boyfriend and his parents.

Join our cast and of over 70 members as they bound their way on to the Theatre Royal stage with a bang! The show features the characters you all know and love such as Uncle Fester, Lurch and Pugsley Addams plus more!

We are delighted to welcome back Liam Butler as co-director (alongside Paula Weldon) who last directed for us in 2018 with Hairspray, which won best musical that year. The Choreography is in the ever-capable hands of Robyn Walsh and Ali Reville. And the huge task of costuming is once again headed up by our Derek Harvey.

I personally loved working on this show. Many times during rehearsal I laughed out loud, even though I knew what lines were coming! The cast were a dream to work with, so talented, and a credit to you their parents

Enjoy the show!

Thank You

*A special thank you to all the parents for your support over the year!  
Thank you for choosing TheatreBox. It's been a pleasure to watch  
your children grow. Thanks for all your patience and your  
taxi service too!;-)*
