"For we are his workmanship, created in Christ Jesus for good works, which God prepared beforehand, that we should walk in them." (Ephesians 2:10)

**FROM THE PASTOR'S DESK:
PASTOR ALLEGRA HOOTS**

Dear Friends,

Greetings to you in the holy name of the Lord Jesus Christ, our blessed Redeemer. As always, I trust God that you are in good health, continuing to grow in the grace and knowledge of the Lord Jesus Christ, and rejoicing in the Lord's joy, which is our strength.

Previously, I sent a letter thanking you for your prayers, get-well cards, wellness checks, and thoughtful offers to perform acts of kindness for Davaughn and me while we were recovering from COVID-19. I am taking this time to thank you once again for your graciousness and generosity of spirit. Your kindness indicates one of the ways you show God's love.

Your actions also illustrate the reality of phrases like size does not matter, remarkable things come in small packages, and little becomes much in the master's hand. Such sayings aptly describe the dynamic ministry of our small and vibrant urban congregation.

By God's grace and through your commitment to spreading the good news of the gospel of Jesus Christ, the United Presbyterian Church (UPC) continues ministering to the whole person by addressing the spiritual, material, and emotional needs of people.

Weekly, UPC ministries provide spiritual enrichment and nourishment through traditional worship services, Bible studies, and religious education. United makes our building available to other nonprofit organizations at low or no cost, except for insurance, to address community members' emotional and social needs. Additionally, every member of the UPC congregation actively supports the ministry in multiple ways, including through tithes and offerings and serving in whatever capacity requested.

Previous newsletters highlighted the laudable work of the outreach committee and the deacon's ministry. This month the spotlight is shined on the hospitality ministry overseen by Ms. Jean Scott and Ms. Liz Mangan. The committee of two coordinates and provides refreshments for our weekly coffee hour and special gatherings. During coffee hour, Jean and Liz treat the congregation and visitors to an array of delectable, sweet treats, some of which are homemade and healthy snacks for those watching their diet.

The purpose of illuminating people's contributions to the varied ministries of the congregation is to share with you the many ways God uses UPC members and friends to fulfill his divine will. The individuals whose works are highlighted do not seek recognition. They give out of their love for God, the church, and concern for the good of the community.

Nevertheless, from time to time, I feel compelled to call attention to the contributions to the church's work made by individuals whose names, faces, and voices you may not recognize. In addition to highlighting the hospitality workers, a thank you is sent to Elder Emory Dawson for continuing to beautify our church grounds. Elder Dawson recently purchased and planted several trees and other greenery. One of the trees planted by Elder Dawson was in loving memory of our much-beloved Carl Foerster.

BUILDING FUND**

As of 5/29/22 the total collected is \$4,791

The UPC administration committee wants to be certain all UPC members and friends are aware of the establishment of the Building Fund at UPC to which contributions can be made to help defray the cost of four maintenance projects scheduled for 2022. These projects involve heating, roofing, drainage, and renovation that are essential to ensure the health and safety of the occupants of our facility.

4,791

This building fund originated in 2021. At UPC's annual meeting on Sunday February 20th a motion was made and passed for United to be more purposeful in our efforts to encourage contributions to the Building Fund. To accomplish this, UPC members and friends will be receiving a letter from United that will provide specifics of the four maintenance projects to which funds contributed to the Building Fund will be dedicated.

Contributions to the Building Fund are welcome anytime and may be accomplished in the following ways:

1. Sending a check, made out to the United Presbyterian Church of Plainfield, to Treasurer, 525 East Front Street, Plainfield, New Jersey 07060 with "Building Fund" written in the memo section of the check.

OR

2. Contributions can be made through the "Give Now" button located at the UPC website at www.upcplainfield.org Enter your contribution to the "General Fund Regular Offering". In the notes section indicate "Building Fund".

we can end gun violence

National Gun Violence Awareness Day—June 3rd

National Gun Violence Awareness Day falls on the first Friday of June. This is also known as the Wear Orange Day and was founded to honor survivors and victims of gun violence.

A broad coalition of U.S. public health, education, and advocacy groups chose the date to honor Hadiya Pendleton, a Chicago teenager who was shot and killed on a playground in Chicago, on January 29, 2013. She was barely 15 and just a week earlier, she had performed at Obama's second presidential inauguration. Supporters were asked to wear orange.

Why Do People Wear Orange?

Not long after Pendleton passed, her childhood friends began to wear orange as a tribute and commemoration of her life, as orange is the color traditionally used by hunters in the woods to alert others not to shoot and to protect themselves and others.

In the wake of the latest mass shootings in the U.S., in the span of less than two weeks, an elementary school and a grocery store more than 1,700 miles apart were shattered by gun violence. Uvalde, Texas, and Buffalo, N.Y., now both share the tragic loss of friends and family.

It's unclear as to the specific motive in the Uvalde, Texas, shooter's mind – He killed 19 children and two teachers. The gunman responsible for the attack that killed 10 members of the Black community of Buffalo apparently chose the location specifically and that he was motivated by white supremacist ideology.

People are calling for action on gun legislation in the country.

Pledge your support to end gun violence by recognizing and showing solidarity with the National Gun Violence Awareness Day.

Statistically, when the U.S. is compared to other high-income countries, specifically Canada, Australia and the UK, America has a much higher gun-related deaths per homicide. In 2020, 79 percent of all homicides in the U.S. were gun related.

Between 1968 and 2017, there were 1.5 million gun deaths in the U.S., a figure higher than the total number of soldiers killed in every single U.S. conflict since the Independence War in 1775.

Over 45,000 Americans died in 2020 because of gun violence, whether it was a homicide or suicide, a 25 percent increase from 2015.

Prayer of Lament for Mass Shootings

*Lord, in our shock and confusion, we come before you.
In our grief and despair in the midst of hate,
in our sense of helplessness in the face of violence, we lean
on you.*

*For the families of those who have been killed we pray.
For the shooters—help us to pray, Lord.
For the communities that have lost members—their
anger, grief, fear—we pray.*

*For the churches striving to be your light in darkness
beyond our comprehension, we pray.*

*In the face of hatred, may we claim love, Lord.
May we love those far off and those near.
May we love those who are strangers and those who are
friends.
May we love those who we agree with and understand,
and even more so, Lord, those who we consider to be our
enemies.*

*Lord, have mercy † Heal our sin-sick souls
† Make these wounds whole, Lord.*

Juneteenth

a celebration of freedom

Observed on June 17th, 2022 in New Jersey

Juneteenth, also known as “Emancipation Day” or the “Day of Freedom,” is both the somber and celebratory day to commemorate the Thirteenth Amendment abolishing slavery.

WHAT IS JUNETEENTH?

The day remembers June 19, 1865, when Union soldiers brought news of the Emancipation Proclamation to enslaved people in Galveston, Texas, and declared that all people held in slavery in the U.S. must be freed. They were the last slaves to learn of their freedom. The event happened more than a month after the end of the Civil War and about 900 days after President Abraham Lincoln signed the Emancipation Proclamation.

Juneteenth has been celebrated for more than a century in parts of the U.S. But gained added attention after George Floyd’s death in Minnesota and the nationwide Black Lives Matter protests that followed.

N.J. will officially celebrate Juneteenth as a state holiday for the first time Friday, June 17th, 2022

“While Juneteenth is celebrated to mark the end of slavery, we must use this day to take stock of where we are as a nation in achieving true equality for all Americans, especially the Black and Brown Americans who have lived with the vestiges of systemic racism,” Gov. Phil Murphy said.

Presbyterian Church USA (PCUSA)

PCUSA: *J. Herbert Nelson to preach for Juneteenth service during General Assembly*

The Rev. Dr. J. Herbert Nelson, II, Stated Clerk of the General Assembly of the Presbyterian Church (U.S.A.), joined Louisville, KY, Mayor and others to announce plans for the city’s Juneteenth Jubilee Celebration. A series of activities and events will be held June 11–19. The commission chose the theme **“Our Story, America’s Glory.”** Events planned will include a visual arts day camp, a luncheon and a number of youth activities.

The Juneteenth Livestream can be viewed at <https://ga-pcusa.org/> or the Spirit of GA Facebook page, <https://www.facebook.com/spiritofga>.

During the news conference, Nelson said this is a time to celebrate and reflect.

“We celebrate the opportunity of freedom on one end, but we are also reminded that the church has a calling and that calling is to continue to press for the freedom of individuals who have been left behind even in present day,” he said. *“To be able to walk faithfully in communities with hope and possibility rather than places of struggle and despair. One of the first orders of business is to worship together, to remember and repent, even in the life of the church. It’s the right and sacred thing to do.”*

CHILDREN'S CORNER

Parents, please read this to your younger child(ren)

We Are One

Theme: In unity we show God's love to the world.

Object: none

Scripture: John 17:20-26

I'm so glad to have all of you here today. Each of you brings something different that adds to our time together. (Name some things that stand out about individual children, and how they add to the group. Invite kids to share about others, as well, making sure one strength of each child is shared.)

We'll learn from the Bible today that when we're all united, that's one way we show God's love to the world. So let's do something to help us think about that.

Have children gather in a circle and hold hands. Have them stand and walk in their circle. Invite them to discuss ways the circle can represent believers being united in Jesus.

We're all different, but God works through all of us, and when we are all excited and working toward the goal of loving others together as one big circle, others will see God's love and want to join in. In the Bible, Jesus prayed for His friends that they would be united with Him and with one another. (Invite kids to share what they think that means.) It means we all work together to follow Him and love others. One way we can do that is to pray together like Jesus prayed.

Still holding hands, lead kids in a brief prayer. Allow kids to say prayers, if they want to.

It also means we celebrate Jesus together! We tell others about Him and we worship Him!

Invite kids to brainstorm what they do when they're really excited about something. Challenge the children to perform some of these actions without letting go of one another's hands. If time allows, invite them to sing a verse of a worship song they're all familiar with and celebrate Jesus together while still holding hands.

Being united in Jesus means we also pay attention to everyone in Jesus' family, like the people to our left and our right. We stop and comfort them when they're down. We're helpful and encouraging.

While still holding hands, have kids turn and speak encouraging or comforting words to their left and their right. If time allows, invite children to share some other ways they think people can be united in showing Jesus' love, and challenge them to perform an action to demonstrate that idea.

Today we've practiced being one in Jesus, and we can be one in Jesus in our lives, too. We don't have to hold hands. If we all love Jesus and love others, this is a way to show God's love to the world together.

I SEE WHAT'S POSSIBLE WHEN WE RECOGNIZE THAT WE ARE ONE AMERICAN FAMILY, ALL DESERVING OF EQUAL TREATMENT. - PRESIDENT BARACK OBAMA

UPC's Mission at Work
~~~~~  
*Personal Hygiene Kits*  
*for*  
*People in Need*

Church missions describe how congregations involve themselves in spreading the gospel's good news by demonstrating God's love for humanity and reminding the world that God cares about individuals. Mission work supports people by providing goods and services that address people's specific needs in ways intended to improve people's quality of life.

These pictures depict youth involved in UPC's mission work. The photographs show Desirae (a member of United's youth group) and her classmate Zion putting together one hundred personal hygiene kits for people living in shelters in Plainfield and Newark.

Kudos to Desirae and Zion for volunteering to dedicate a portion of a Saturday afternoon to support United to meet its mission goals and provide a needed service to individuals in crisis.
