Dearest Sherry:

Thank you so much for your kind letter of June 21, congratulating me on my taking the helm at The Humane Society of the United States. I so appreciate your good wishes and your expression of confidence in me.

You certainly need not remind me of your efforts to pass Proposition 6 in 1998. I knew all along that you were the driving force behind this effort and I cannot tell you how important your campaign was in making the issue a national one. Your effort on Proposition 6 was antecedent to the major effort in Congress to ban horse slaughter for human consumption.

It is absolutely wonderful to hear from you and I hope we can be in close touch. If there is anything that is on your mind or that requires my attention, please do not hesitate to contact me. Thank so much and I look forward to seeing you soon.

Sincerely,

Wayne Pacelle
