

AME LEAN BOOTCAMP

August 15, Carlsbad, CA

Host Company:

Zest Dental Solutions

This one day LEAN BOOTCAMP will provide participants with a great understanding of Lean Tools and Methods with practical application on site at the host company! Participants will learn the tools and then go practice what they've just learned on the shop floor! This great one day LEAN BOOTCAMP is not to be missed!

ZEST | DANVILLE MATERIALS | PERIOSCOPY

Who Should Attend

- Anyone wanting to learn more about lean practices
- Supervisors or Managers who want to learn how to deploy lean with their teams
- Technical professionals, engineers and operations leaders who want to build their lean tools understanding
- Company owners that need to make improvements within their businesses to get results and want to see if Lean is a good fit for their organizations
- Students, teachers and others seeking how to learn and develop lean practices

EVENT DESCRIPTION

This AME West Region workshop focuses on Lean Fundamentals to allow participants to quickly learn and apply Lean Tools and Methods immediately. Host company Zest Dental Solutions has on-site product development, manufacturing and distribution that allows participants to practice in a working setting that same day.

What You Will Learn:

This one day LEAN BOOTCAMP is all about learning and applying LEAN TOOLS. The goal is to build an understanding of Lean and help develop great problem solvers for your organization. Tools that are covered:
