

Bell Creek Pool Passes and Registration Information:

All members are required to register every year.

Every Member of your household must register for a pool pass.
(If you have caretakers, babysitters or Grandparents that take your child to the pool, please request a Child Care Pass.)

Children age 4 and under will not require a pass but will need to be registered as a member.

Pool passes issued last year are valid this year.
There will be a \$5 replacement fee for lost passes. Please email bellcreekpool@gmail.com if needed during the summer.

A White Pool Pass will be issued to members 12 and older.

A Yellow Pool Pass will be issued to 11 and under and require a guardian.

Each Home will be allowed 5 free Guests Access to the pool.

There will be a charge of \$3 (to be paid via check only) for each guest after you have used your 5 free allotment.

A lifeguard at the check in station will take pictures at their discretion for updates to the system and for anyone who does not have a pic on file.

If there is a line to check in you may be asked to wait to the side until everyone can get checked in. There will be a 1-2-week delay in getting your passes, as we will have to wait for us to get enough pictures to complete a full run of passes. You will be issued a limited number of tickets for you to gain access to the pool while you wait for your passes.

If you have problems with passes do not ask the life guards they do not make the passes or have full access to membership and pictures, so they will not have the answers. You will need to contact the Pool Committee at bellcreekpool@gmail.com

Please note you must be current on your HOA dues in order to gain access to the pool. Your pool membership will be marked inactive until the account is paid. If you come to the pool and your account is inactive the guards will give you a card to call community and not allow entrance.
