Learn the game of golf in the most FUN & EASY way. SNAG teaches all the elements of golf in a modified way with easy to use equipment that keeps everyone enjoying every minute of the class. This class is for youngsters who have never played before.

In addition to having fun with golf, we will also be working on age appropriate athletic and movement skills that help keep your youngster on a path to a long, healthy and active life. We will be following the program of the American Development Model created by the US Olympic Committee.
