January Club Meeting - Weeks Shipyard Officers Report and Rules Refresher

Message from the Commodore:

Congratulations to Rich Crucet and Pete Truesdell for coming in 4th and 5th in the Silver fleet of the North American DN Championships. The event was held in Plattsburgh NY (Lake Champlain). What started out looking for a large sailable ice sheet in the Midwest, the event was slowly moved eastward to Montreal Canada and finally to the NY site. Hear the detail at our upcoming meeting.

The 50/50 at our well attended January meeting was won by Ryan Ludwig. He generously donated his winnings back to the club. Thanks Ryan.

Icepicks, whistles and Club patches are always available at our monthly meeting.

With the very cold winter so far, ice is everywhere. However so is the snow. But the winter is still young and hopefully lots of good sailing ahead.

Lonny Wollman has put together a "Meet Up" site. It looks very promising and has lots of potential for the Club. Lonny will make a presentation at our February meeting for our review, input and approval. Hope to see many of you at our February 4th meeting.

FOR SALE

Hi Mike - I bought a beautiful boat that you made for me some years ago. She and her rigging remain in pristine condition. I originally used an opti sail for her, which worked but was a bit undersized for the boat I think.

The boat should be out and about and be seen, not tucked away in my basement. I also have a skimmer.

As I am still not able to be out in Orient as much as I like, ready to ice boat as nature allows...I was wondering if you knew someone who might be interested in buying her from me?

Very best to you for the New Year, Mary
