Hit Warranty

If breakage occurs within 90 days after date of purchase, due to faulty material or workmanship and guarantee card has been sent in to the Hit Archery Co., the bow will be replaced free of charge. Thereafter until the period of 2 years from the date of purchase a charge of 3½% per month of the retail price shall be charged to the purchaser.

Guarantee must be sent in within 10 days of purchase. Please print your name and address.

For the fee of \$1.50 we will transfer the guarantee from one person to another until expiration of the original guarantee.

Any returned bow must be accompanied by a letter of explanation. It must be sent postage paid to our rural route. A bow can be shipped from any U. S. Post Office to our Route 3 address. (parcel Post is 1/3 the cost of other transportation.) Any bow that is damaged in shipment should be returned in its original box so claim can be made.

Shooting Star

- DUAL POWER -
\$150.00 with case

From all over the U.S.A. reports are coming in about our fabulous Shooting Star. Don't take our word for it, ask the archer who shoots a Star and see why he will not trade his for any other bow.

This new detorqualizing action gives the Shooting Star a stability never before realized by any other bow.

Dual Power gives two recurves at each end - a revolutionary idea HIT has designed into their top tournament model for three years.

An important factor for a perfectly balanced handle section - internal weights exactly the same distance up and down from the pivot point.

No weights or gadgets protruding from the bow.

Length - 66" - 68" - 70"

Weight - 25# - 45#
