

# MESSAGE FROM THE PRESIDENT

**Vic Pascoe**

*Eastport Civic Association  
President*

The Eastport Civic Association (ECA) is a non-profit membership-based community association. Our mission is to:

*Promote, improve, and protect the general welfare of the Eastport area.*

*Engage in activities that promote and improve the civic life of the Eastport community.*

*Protect the residential and maritime quality of Eastport.*

## There is a lot happening in Eastport that I'd like you to know about.

There are several developments planned to begin in 2017 and 2018 that will have lasting impact on our community. In no particular order, they are:

The South Annapolis Yacht Centre is building 11 new residences and maritime commercial space.

Watergate Village is planning a large-scale renovation and possibly 100's of additional rental residences—*although not confirmed by the City as of this printing.*

The development of Eastport Shopping Center where 125 rental units and additional retail spaces are planned.

The Annapolis Yacht Club is adding a pool and other amenities.

The Eastport Civic Association is monitoring the City's response to these developments to insure that infrastructure, adequate public facilities, parking and traffic controls are in place BEFORE these developments proceed. **But we need your involvement.**

**Whether you are for or against, we want to hear your opinion.** We will be having meetings with our membership to help you understand what these changes will mean for you. Please check our website and email announcements for upcoming dates. The Annapolis City Planning Commission will want to hear your comments, too. They meet on the first Thursday of each month at 7 pm in City Hall.

We expect these developments to be discussed as early as February 2, March 2, and April 6. Please mark your calendars so you can attend these important meetings. To find out more information about these projects you can find links on our website, [www.eastportcivic.org](http://www.eastportcivic.org) to the City's e-trakit system for each project. 💡

## EASTPORT SAFETY

**T**he other issue we are dealing with is an uptick in certain crimes and in particular, shootings that have occurred in Eastport over the past year. We take this very seriously and feel that one violent crime in our neighborhood is too many.

The ECA is working with the Annapolis City Police and others to help in this effort. Our Safety Committee is working to revive our neighborhood watch efforts, and we support the efforts of the police to work with our neighbors in Harbor House and Eastport Terrace to continue the Memo of Understanding that allows APD officers to arrest those on public housing property without permission.

We need you to call the police when you see something suspicious or if you have information about any crime. **The phone number is 410-268-4141** and you do not need to give your name or address. 💡

**Help our police by being the eyes and ears of our neighborhood. In 2017 we will continue our efforts to plan meetings and activities that include and support our neighbors in public housing. All of us have a right to feel safe.**
