The Daytona Flea Market opened to the public in the spring of 1981. Long before superstores and the internet came to be, the market was a veritable hub of products from around the country and around the world. Take a look at our beginnings!

MARKET FEATURES:

The Daytona Flea Market is one of Florida's largest flea markets. The Market spreads over **forty big acres** and houses hundreds of vendors selling thousands of different items. It is the area's **largest tourist attraction** and has bargains galore - a wonderful place to do your **souvenir shopping** and buy fresh citrus to take home with you.

"Rain or Shine," we have you covered, so come out and browse under our **cool covered bargain areas** with paved floors for easy walking. When you visit, be sure to try our "World Famous Funnel Cakes" and other tasty treats provided throughout the Market.

Handicapped parking and clean restroom facilities are also provided.

Have fun on the **World's Most Famous Beach** - Now visit **Florida's Best Flea Market** for more fun.

Thanks for coming!

Attention Professional Coach Operators !

The Daytona Flea & Farmer's Market appreciates drivers!
All coach operators are entitled to \$5.00 in Flea Bucks for every 15 passengers delivered to the market to shop. Drivers will also receive a lunch credit of \$5.00 for our restaurant or snack shacks. Flea Bucks are just like cash at any of our 400 shops.

Drivers should report to the Information Booth between 9 AM and 3 PM to receive stipend. Driver may be asked to show CDL and proof of passenger count. Ample bus parking is available in the south parking lot. Use our south entrance off of Tomoka Farms Road. The Info Booth is located on the Main Aisle at Row B. We also offer a \$5.00 lunch credit for one escort when accompanied by driver.

To Our Patrons

All vendors are required to guarantee new merchandise against defects for a minimum of 30 days. Market staff will gladly assist you in enforcing this guarantee provided that you have a receipt for your purchase that includes the vendor's business name, date and item(s) purchased.

Items not included in the guarantee:
Perishable goods (produce, food items), used goods (including antiques), motorized vehicles (gas or electric).

We appreciate your patronage. Our goal is to make your shopping experience an excellent one!

Dent Ranger

Wayne Walker is The Dent Ranger and is truly a master of his craft. One of the many valuable services available at the market is painless dent repair. It can save you a lot of money versus body-shop repairs. Wayne has been in the auto repair industry ever since serving in the US Marine corp in the Amphibious Reconnaissance Battalion in the 1980's. He reflects on the years in service as the best time of his life and highly recommends that everyone serve their country in whatever capacity they can. After serving he went into business for himself starting a mobile mechanic fleet and got interested in painless dent repair. Wayne says it took about 5 years to master the art of dent removal learning from the best in the industry. The rave reviews from his customers are a testament to his tal-

ent. His shop is tidy and loaded with highly specialized tools and lighting that he uses to finesse the dents and dings out of cars, trucks and even motorcycles. Dent Ranger's Facebook page showcases the before and after photos of his work over the years. Wayne has been in business at the market since 2008 and has hundreds of satisfied customers. Next time you get that dreaded dent or ding in your exotic sportscar, classic hot rod or daily driver, stop by and see the Dent Ranger. Call 386-451-5364, visit DentRanger.com or find him on Facebook and Instagram. Dent Ranger is located on the North side of the market bordering Bellevue Avenue Extension and is available most weekdays and weekends.
