

Happy Sunday!

I hope everyone had a pleasant and restful Thanksgiving break!

*God sees all, hears all, and knows all! As Catholics we are constantly looking for ways to get closer to God and to know him fully. The gospel gives us countless ways to picture him (a lion, protector, friend, father). How do you picture God? Discuss this with your student. Sunday's Gospel invites us to see with eyes of faith that Jesus, through his crucifixion and death, is indeed king and Savior of all. **Do you picture God as king?** The readings are a good reminder that while we may have never met a king in person we can still accept the possibility that our Lord is king and reigns over all.*

Please lift up our students in your daily prayers. We ask God to continue to bless our school with new families and students who desire to live the faith. Our door is open to all!
