Reading

Everyone will be writing down the books they will read in their February book log. They are required to read a mystery book & present it to the class by the end of the month.

President/First Lady Speeches

February is President/First Lady month. Your child will choose a president/first lady to learn about. He/she will do research, create an outline, write a speech (report) with an introduction, body, & conclusion, create notecards, bibliography, dress up, and present it to the class. Everything will be taught to them at school; however, this does not mean he/she is not responsible at home in getting everything done according to my deadlines. Last year the sixth graders were overwhelmed on the assignment; however, with patience and guidance he/she grew academically and enjoyed presenting their historical person to the class. He/she will present it to the class during the last week of February.
