Important News

The State of Arizona allows its taxpayers to contribute up to \$200.00 to public schools to support extracurricular activities and then deduct the entire amount from their state tax bills. Contributions may be made in increments throughout the year, or as a lump sum up to \$200 (or up to \$400 for married couples filing a joint return). Your donation will assist Southgate Academy in providing extracurricular activities for its students. It's easy; it's fast and everybody wins.

What is a tax credit? It is a dollar-for-dollar reduction in the actual tax you owe. For instance, if you owe \$800.00 in state taxes and you donate \$200.00 to Southgate Academy for extracurricular activities, you may subtract \$200.00 from your tax bill, paying the state \$600.00. This tax credit is available to all Arizona taxpayers whether they have children in school or not so be sure to share this opportunity with friends, family and co-workers. Direct your tax dollars as YOU want!

In order for you to be eligible to receive the school tax credit this year, you must make your donation by **December 31st**. Use this convenient form to send your contribution today. If you want to make smaller monthly (or other) contributions, these forms are available at our front desks.
