CCTC Urban Test UTD & UTDX April 22, 2012

We had 5 UTD & 4 UTDX plotted in Whitby On.

Although the tracks were very nice and so was the weather, we only had one pass at the end.

Congratulations to Susan Coutts with her German Shepherd Dog ..

"Carmspack Blast TD UTD"

Blast is owned by Susan and David Coutts of Powassan On. .

Our other UTD dogs were; a Miniature Dachshund, a Labrador Retriever, a Bernese Mountain Dog and a Vizsla.

The UTDX dogs were; A Std. Poodle, Bernese Mountain Dog, German Shepherd Dog and a Basset Hound.

Hope to see these dogs in upcoming tests as they are good trackers, just a bad day.

Thank you to our tracklayers !!!!

We had Maryke Warwick, Eileen Fisher, Candy Rennie, Laura McKay & Jackie Meharg.

We had a rare event also, we had 4 tracking judges at the same event.

That's quite rare since there's only 20 for all Canada ! Jack Wilhelm, Louise Weaver, Laura McKay and myself, Marie-P Babin. We had a gathering of 4 Tracking Rep's also, Jack Wilhelm, Louise Weaver, Susan Coutts & Marie-P Babin.

CCTC TD & TDX Test May 13, 2012

We at Cross Country Tracking Club held our "50th" tracking test today. The weather was perfect, it had rained overnight, overcast in the early morning and then sunshine.

The hay fields were about a foot high. Our Judge was Pando Stepanis of Brampton Ontario, a new judge from last year and he did a wonderful job !!!

Our dedicated tracklayers were Maryke Warwick, Candy Rennie, Pamela Burns, Susan Coutts, Tascha Gagnon, Eileen Fisher & Sandy Brodie.

Our test today was dedicated to the memory of Sandra (Coombs) Bower who passed away April 26th. Just 53 years old. Sandy was a founding member of CCTC and had a TD on two Chinese Cresteds, a (Powder Puff) Roxy and one on a (Hairless) Gaston.

We had 9 TD dogs entered and 8 passed !!! One didn't quite make it but she was almost at the last corner when she went down a path instead of the track.

Three CCTC Club Members passed Schutzhund tests

June 22-24, 2012, Congratulations to our three Club Members.

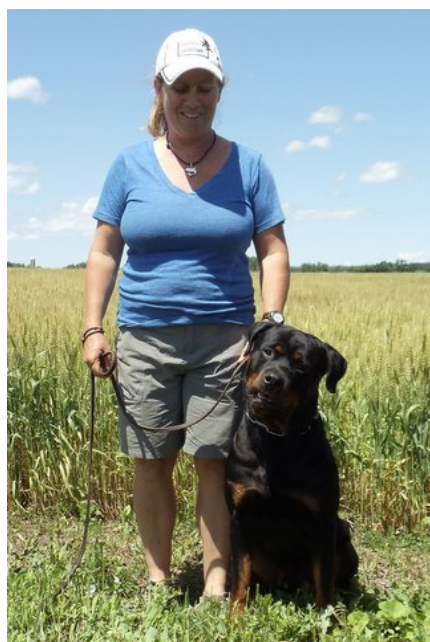

Anne Turner with her Rottweiler “Brodie”, Richard Vergolst with his German Shepherd Dog “Tattoo” both passed their BH. Dywn Tomlinson with her German Shepherd Dog “Dude” passed the IPO 2 level (SchH 2)

The change was made from Schutzhund (original German title reflecting only GSD’s) to IPO (International Pruefungsordnung) because it reflects the international standards and any breed of dog that can accomplish the set tasks can enter it.

Eileen Fisher and I went to watch this interesting sport. This was the Ontario Regional IPO Championship Trials held by the “Scarborough Select German Shepherd Schutzhund Club”

The BH consists of obedience and temperament test and the IPO 2 test is three parts. Obedience, protection and tracking. Schutzhund tracking is held at sod farms where the grass is very short. It was very interesting to watch how precise the dogs must work. For a perfect score out of 100 a dog’s head must stay down, make perfect corners, be totally focused and drop fast with the very small 1”X 3” articles between the paws and not touch it with their nose.

Sandy Anne Bower (Coombs)

April 29, 1959 - April 26, 2012

Sandy was a founding member of Cross Country Tracking club. She earned a TD on Roxie a Chinese Crested Powder Puff and another TD on Gaston a Hairless Chinese Crested . She was always there to help at tests as a tracklayer and organized out first tracking seminar.

She was a family and an animal person and those who knew her will know that her family and pets meant the world to her. She trained dogs in her spare time and worked with horses. Over the years she won many awards with her dogs and her pony. When Sandra moved back to Nova Scotia she volunteered with PET Projects, 4-H and the Shelburne Exhibition. She could always put a smile on your face. She was quite a character and could make something out of nothing and always came up with good ideas.
