

Northwest Suburban Integration School District

Invites you to an Interactive Inter-District Partnership (IDP) Field Trip

The Somali Museum of Minnesota

Wednesday, November 7, 2018 - 8:30 a.m. - 2:00 p.m.

Take a field trip to The Somali Museum of Minnesota and participate in a presentation of **Somali Culture 101**. Immigrant populations in Minnesota have had to explore and craft ways to carry their culture forward. The Somali museum is an incredible resource that has done just that! Founded in 2011, the Somali Museum of Minnesota opened its door in 2013 as the world's first and only museum devoted entirely to Somali culture. The museum is home to over 700 pieces of Somali art offering educational programs about traditional art, culture, creativity and to help diminish prejudice and misunderstanding of the Somali people and culture. Join us for a tour and a presentation of Somali Culture 101. We will also experience a traditional Somali lunch (participants pay for lunch).

Participants will:

- Understand aspects of Somali culture
- Understand how the aspects of the Somali culture influences the life of Minnesota-Somalis
- Be provided an opportunity to ask questions regarding Somali culture
- Be provided the experience of Somali food.

Join us on this field trip to the Somali museum, enjoy a presentation and experience an authentic lunch. Bus and museum entry paid for by NWSISD. Participants pay for their own lunch.

CEUs will be available.
