 Directed by Scoutmaster Ryan Chandler

(*Please stand respectfully)

Lest We Forget

As we gather for this year's ceremony where we will *reflect* on **100 Years since the end of WWI and the US Army and Army Reserve**, the phrase “lest we forget” seems to be appropriate. This phrase is commonly used in war remembrance services and commemorative occasions to remember the members of the military who have served and died in all wars, conflicts, and peacekeeping operations, as well as remembering the contribution and suffering of all those who have served.

100 Years Since the End of WWI ~ The First World War or the Great War, was a global war originating in Europe that lasted from July 28, 1914 ending on November 11, 1918. (November 11, 1918, originally known as Armistice Day, was changed to Veterans Day in 1954 by President Eisenhower.)

“The War to End All Wars,” had been raging in Europe. The United States had avoided being drawn into it, but German unrestricted submarine warfare, which U.S. leaders regarded as war on civilians, led to this juncture. President Woodrow Wilson, who had just been re-elected under the slogan “He Kept Us Out of War,” felt he had no other option. The United States entered World War I in April 1917. Over 4.7 million men and women served in the regular U.S. forces, national guard units, and draft units with about 2.8 million serving overseas. In this number there were more than 80,000 **Army Reserve soldiers** contributing to this war effort.

The US Army Reserve ~ The Army Reserve traces its roots to the French and Indian War (1756–1763), and continued when a shortage of officers and physicians spurred Congress to establish a formal structure for Federal volunteers in peacetime. From its founding in 1908 as a small corps of medical professionals, the Army Reserve has evolved into a global operational force. They have supported America in countless ways, both at home and abroad. They have fought with courage and served with distinction. It provides trained and ready forces and critical capabilities wherever needed, anywhere around the world. Since 9/11, several units have had multiple deployments spanning the 18 years.

In April, the dedicated members of America's Army Reserve celebrated the 111th birthday of these essential military forces.

Our Speaker ~ Today's speaker is Major General (MG) LeBoeuf, the current leader of the 79th Division that distinguished itself in the Battle of the Somme in WWI. He graduated as a Distinguished Military Graduate of the United States Army Reserve Officer Training Corps program and received a regular Army commission in the United States Army Corps of Engineers in May 1985. He is a graduate (magna cum laude) of Rose-Hulman Institute of Technology with a Bachelor of Science (B.S.) in Civil Engineering; Northwestern University with a Master of Science (M.S.) in Industrial Engineering and Management Science; Stanford University with a M.S. in Civil Engineering, University of Michigan with a Doctor of Philosophy (Ph. D.) in Environmental Engineering; and the United States Army War College with a Master of Strategic Studies. In his civilian capacity, MG LeBoeuf serves as Professor of Civil and Environmental Engineering at Vanderbilt University, Nashville, Tennessee.

MG Eugene (Gene) J. LeBoeuf
 Commanding General
 79th Theater Sustainment
