

Kingdom Encounters: Who We Are

- **Kingdom Encounters** – Sunday morning gatherings at 10:10 a.m. with opportunities to have genuine Kingdom Encounters such as learning to: prophesy, receive word of knowledge, pray for the sick and see them get well, share testimonies, witness, sing in the spirit or pray in the spirit so that when the opportunity arises in the public sector, you are ready. We include Training in Teaching, and Preaching. Kingdom Encounters is Kingdom-focused and not pastor driven, where everyone gets to participate and we welcome the supernatural.
