

STATION 59

7828 Dayton Liberty Rd
Dayton OH 45417

AUGUST 2016

HIGHLIGHTS:

HEALTH INSURANCE 101

Just in time for open and general enrollment of Marketplace, Medicaid, and Medicare! This informative session discusses the terms, how insurance works, and provides useful tips to help you select what insurance plan is right for you. If you are confused about healthcare insurance, don't miss this program. Class is FREE but seating is limited. Call (937)258-2000 option 0 for reservations.

HOW TO TALK TO YOUR DOCTOR

Developed by the National Institute of Health, the brief seminar provides tips and techniques to get the most out of your doctor visit and make your healthcare a partnership. Seminar is FREE and snacks are provided. Call (937)258-2000 option 0 for reservations.

NEW IMMUNIZATION REQUIREMENTS FOR 7TH AND 12TH GRADERS

All students entering 7th or 12th grade must have the meningitis vaccine to attend school this year. Contact your physician or the Public Health Department to schedule soon. Remember classes start this month!
