To our customers,

We take the confidence you place in us very seriously and test our materials in the classroom with hundreds of children every year.

If a product meets our standards for beauty, “do-ability” and quality, we not only offer it for sale to you, but use it ourselves in the Music Masters classroom. This is why you won’t find every book, toy or CD for children in the Music Matters catalog.

Thank you for placing your trust in us. We promise you will love these products.

Musically yours,

Meredith Haynes & Ginger Acopiado, owners
