

THE ROYAL OBSERVATORY

ATLAS SHRUGGED & THE SACRED GEOMETRIC ALIGNMENTS - 2016

The purpose of this illustration is to ascertain Luciferian occult ley-lines of the Royal Observatory in England. From an aerial view and unapparent to the eye, the Royal Observatory grounds in Greenwich depict a pyramid lifted up by an anthropomorphic man, ATLAS that is in phi ratio proportions. The Anthropomorphic Man Atlas, supporting the pyramid as the 'Earth' depicts the struggle of Lucifer against YHWH for the world much like Hitler's struggle was conveyed in his book, Mein Kampf. This Atlas is the god of this world, Lucifer that aids this quest or struggle through the Royal Bloodlines of the world –among many others. It is such people and those in secret societies and banks that are given all the power in the world to accomplish the 'Great Work' be it through, economic, religious, military or any means possible.

In mythology, Atlas was a Titan god. Titans were believed to be the descendants of the first gods of old born out of Chaos as in 'order out of chaos' or a rebellion against the gods themselves. Atlas was condemned by Zeus to bear the weight of the heavens on his shoulders for the role he played in the Battle of the Titans against Zeus. This echoes the luciferian rebellion as depicted in the Bible in which YHWH condemned some fallen angels to Tartarus that 'left their first estate' and caused chaos by inter-breeding with human women. (Genesis 6)

LONDON'S LUCIFERIAN LABYRINTHS

From the Royal Observatory itself, which is where the PRIME MERIDIAN runs through, to the base of this geometric pyramid is 1776 feet. There are also 2 headings of 33 degrees that proceed from this pyramid. The first is from the pyramid angle of 33 degrees that lines-up to the Bank of England. The second is from the Compass and Square angle within the pyramid that also has a 33 degree heading straight in line to the Royal Residences of Buckingham and Kensington Palaces.

The Golden Temple

Thus this '1776 pyramid' serves as a 'time marker' that is identical to the masonic truncated pyramid seal of the USA and other secret entities use to denote when Atlas and Lucifer's minions will complete the 'Great Work'. This work or pyramid is basically the 3rd Temple in Jerusalem for Lucifer to reside in on Earth. Their struggle is to prepare the world for their coming Prince or King that will rule their New World Order that is about to be birthed, in 2016 perhaps. This is exactly what the sacred geometric pyramid upheld by ATLAS with the Eye of Lucifer or Sauron depicts.

The Royal Observatory pyramid reflects the one used by the Masons in several signets and seals they use for example. Their pyramid has 13 levels in the main design and the 4 sided pyramid disguises the factor or pi. How? There are 13 steps and 4 sides to the pyramid within a circle thus a 3.14 pi code. Within this circle and pyramid, there can be configured a pentagram as well.

333° heading

The Luciferian powers behind the rulership of planet Earth pay homage to their Fallen Angel Lucifer in their architecture, financed and supported by their banking system. They control the royal monarchies of the world that have selected genetic bloodlines tied to certain ley-lines, sacred geometry and astronomical alignments.

Is 2016 then when their pyramid or 'Tower of Babylon' will be completed, uninterrupted by YHWH this time? Will 2016 see such a manifestation or debut of his earthly 'Anointed Prince' that will sit in this 'temple' or pyramid or his forerunner? To this end, those behind the facade of elected and represented forms of government are the Masons –among others that are really the ones in control of the Royal Houses of all the nations.
