

# Spider Smartphone and Tablet Holder

CLD Brands

Here's the phone holder that is:

- Flexible and moldable to let you explore your creativity
- Easy to carry
- Portable
- Great for the bike, stroller, car, truck, plane, school, treadmill, office and more
- Geez it even holds your book, bible, recipe book

**Show us your "Bend, Set, Place"**

Share you octopod, octopus, give it a name and show us what it looks like with your smartphone, tablet, book...maybe on the treadmill, bike or holding the GPS or gaming control. It's your creativity, your design!

[Visit us](#) and discover the fun.

**FLEXIBLE, CREATIVE and FUN!**

Make it a family project!

**Backseat companion or baby sitter – your choice!**

**GPS and Route Tracker**
