**KIWANIS MEETING OF May 14th, 2018**

Today's meeting was our only "normal" get together in May! A group of 13, including a very special guest, collected back at the Black & Tan Grille for lunch, which was a beef and mushroom noodle casserole with salad and bread. Happy birthday dessert was strawberry shortcake. We even sang "Happy Birthday" to no one because Ole informed us there are no members with May birthdays!

Members present today were Dal, Bob, Bob, Ben, Doug, Vince, Denis, Pat, Anne, Ann, Rick, and Joe. Surprising President Dal with his completed membership application was Nicholas "Nico" Jacques, son of Joe, who just came home from completing another year of school at the University of Minnesota. Members gave Nico a big round of applause and we speculated that he might be the youngest member (20 years old) that we've ever had in our 101 year history!

Dal announced that with the addition of Nico, we now have four Eagle Scouts in our club. They are Emmet, Nico, Bob F., and Vince. Well done, gentlemen!

Today's happy dollars were from Denis who said the scouting staff development retreat went well this weekend in Sturgeon Bay, Doug who gave us a pretty funny Boy's Life joke of the week (we always hate to say that because it just encourages him), and Dal who recounted a Youth Awards dinner conversation about the different kinds of cheese and yogurt Vince invented during his career at Schreiber Foods (we believe there were many!).

Other announcements for the good of Kiwanis concerned the name change coming up for Boy Scouts next year when girls can become members and a head count for the Scholarship dinner next Monday. Looks like we'll have almost 50 people attending! Ben also told us that he met the widow of long-time member Dave Yuenger this weekend. She is now 100 years old and doing quite well, he was pleased to report.

Our presentation today was actually the eulogy that Joe wrote and then read at Harry Maier's recent funeral. As we all know, Harry was a much loved community member, Kiwanian, newspaper reporter, and for 23 years he was Joe's next door neighbor. Harry was a speaker at our 100 year anniversary party last year.

Joe's many memories of his interactions with Harry were both touching and funny. Harry even went to Joe's wedding to Maria and gave them this piece of advice -- "the perfect marriage is between a blind wife and a deaf husband". It was wonderful of Joe to share with us the special relationship he had with Harry ... thank you, Joe!
