# The Art of Construction

## Art and Architecture Inspired Mini-Camp

March 18- 21, 2019 (Monday - Thursday) 9am-12pm

A fun-filled week of morning camp at Park Children's Day School with teacher, Christine Barber.

Your child will explore properties of architecture using fun manipulatives in the classroom. We will build structures using various architectural tools such as rulers, colored pencils, blocks, paints and lego.

Books will help us to study famous bridges and landmark NYC buildings that will inspire the children to create their own designs.

This is a great opportunity to engage in fun and creative activities that will focus on teamwork and simple math skills. The morning will include gym playtime to allow children to create on a larger scale with hollow blocks. It will be a blast! For more info please email Christine at [ccbarber13@gmail.com](mailto:ccbarber13@gmail.com)

**Spots are limited! Please fill out the form below and return to Christine Barber in classroom B1.**

## **BULLETIN BOARD**

### **Summer Art Bunch is back for 2019!**

Our program is tailored for children aged 2.5 through 5 years old. The children study a new artist each week and discover their creativity through a range of visual and performing arts. This summer a few of the artists we plan to feature include: the Renaissance art of Michelangelo, the American modernism of Georgia O'Keeffe, the architecture of Frank Lloyd Wright and the cave paintings of Lascaux.

Your child will work on diverse projects that reflect core themes in art, drama, music, movement and critical thinking. We encourage the children to be creative, inventive and hands-on with each project.

**The program runs for eight weeks from June 10th to August 2nd, from 9am to noon.**
