**2020 – 2021**

**Personal Motto:  
I am enthusiastic because I am ALIVE!**

**Fellow Senators,**

I am honored to be a candidate for the office of President of the United States JCI Senate. This office exists to serve our members and administer the business affairs of our organization. The opportunity to serve in this prestigious role is one that I eagerly seek and am poised and excited to accept.

**Ariel Jones**  
Candidate for President  
US JCI Senate 2020-2021

I have been inspired to run for the highest office in our national organization because of the incredible people I've met, the priceless experiences I've gained, and the invaluable lessons I've learned. I can never fully repay the Jaycees for all I've gained from the organization, but I'm going to do my absolute best. I am humbled by all the support and assistance you have given me throughout the years.

The two overarching goals that need to be addressed during the next Senate year – and will be a major focus for the campaign and subsequent election – will be to:

- activate and increase our membership (*we all know someone who deserves a Senatorship*), and
- research and implement innovative methods to bridge our largest potential membership arena – Jaycees (JCI USA) to the Senate organization.

While I will discuss these initiatives in more detail when I see you on the campaign trail, please know that '**MEMBERSHIP ENGAGEMENT** and **EMPOWERMENT**' will be at the forefront. The biggest asset to our organization is our **MEMBERS!**

Please give me your trust, confidence, vote and support in Greensboro, North Carolina, at our National Convention in June 2020 so that my goals for this organization can be successfully accomplished. As I have stated to you in the many times we have met, I believe in good, better and best. I will not stop working for you as a member – and our organization as a whole – until my **GOOD** is **BETTER** than my **BEST**. I promise to make you proud of the President you elect.

In the Spirit of the Senate,

*The Virginia JCI Senate*  
*proudly supports, endorses and approves this message*  
*for Ariel Jones #65423*  
*as a candidate for PRESIDENT*  
*US JCI Senate 2020-2021*
