## **A Note from Mark**

We live in a world where darkness resides and in order to be the light we must do all we can to ensure the safety of our children and members.

In order to be more pro-active in protecting our children and complying with State regulations, several things will begin taking place here at the LaSalle church immediately.

First, anyone involved in any way with our children and teen program, must undergo and pass a criminal background check (there will be no exceptions). Second, policies and guidelines will be written and put into place regarding those working with children/teens. Those working with our children and teens must periodically review and agree to those policies.

Thank you for your understanding and support. The protection of our children is everyone's responsibility – if you see something, say something!
