120 Pastors n Spouses

Speeches by TMC Committee Chairman
Pastor Haij and School Head Pastor Belloh

Pastor Haij n Will waxing eloquent

What better way to spend the Sunday before Christmas than with about 120 or so Pastors and spouses? We were honored to host an afternoon of entertainment and supper for these precious brothers and sisters... all of us with same Father ... different mothers. So many talk about keeping Christ in Christmas and we surely agree it is important. Lets move towards allowing him to be in every day, every purpose, every effort and every thing in our lives.... Why wouldn't we ?? Is it because we do not really know his complete goodness and unblemished love for each of us as if we are his only child... ?

Once again funds arrived and with some juggling a wonderful Christmas with preparation aided this year by Mary and her assistant Grace and at times Madilitso (one of our boys) making clothes for the gift packages for the last several months. We also had Christmas shoe boxes from Samaritan's Trust which were the main of our gifts this year... The Iris Ministries Base here in Bangula have been such an encouragement and blessing for many years with their generous gifts for Christmas, one year even a chicken dinner for everyone. What an encouragement to see their willingness to pass on gifts of food and the blessing they are to the area with food distributions and their works with the Bible school and many

churches and so many efforts to assist the poor as well as taking in orphans and and and ... !! So this year our children voted to have the gifts Iris would have brought be given to the children in the villages around instead of here at TMC! Pretty amazing and wonderful for us to hear this from our kids for sure! This was after we had already said yes to Mo, so his grace was precious. So when you have time and inclination have a look at what the Iris family are doing. Their web sites are below.

Dear friends thank you not only for Christmas but all of your efforts and prayers and gifts and visits whether in person or on our web site \O/ We stand in amazement so often when looking at our Malawian family and the joy and life so evident in the children \O/ WOW !!! Even yesterday morning Jan 2nd, eight of our staff chose to give their hearts and lives over to the Lord \O/ ... many say they believe in him... but how many surrender ? \O/ It seems that happens, most often when we have a glimpse of his goodness and his gentle touch on our hearts Why else and even how else could we ever trust him enough to really begin that walk of surrender I know I'm preachin to the choir But maybe there is just one this is "good news" to... maybe.... \O/

Gabriel would not be here if it were not for the Blantyre Baby House. Good fruit for those who joined in that venture !!! How many others as well? We are listening and perhaps one day will open another Blantyre Baby House....

“Friends can be forever! “ What an amazing grace it is to know we will see and once again enjoy our family and friends who have gone on ahead... we will be with our Father and them for eternity. We know that we know \O/ !!!

Heaven gained a precious friend of ours Christmas day, Yvonne Turner. We have to smile as we think of her being with Jesus and her husband Lionel. Yvonne showed much courage thru the last nine or more months of being bedridden with pain and all that goes with it. Pam and I will miss this one much and are a bit jealous of those who have her now. She and her son, newlywed Brad (thank you for Katie and the timing, Lord) have for many years gifted 95% of our cleaning supplies here at TMC... not a small help! They have a cleaning supplies business in Blantyre “Kleen Kem” . By the way, is there a volunteer to make a web site for their business? My heart cries as I think of no longer being able to harass this treasure (hmmm and be harassed by \O/)who blessed our lives. My editor in grace and love suggested I am remiss to use “harassed” hmmm perhaps using “jovial exchanges of jocular hilarity” would be more understandable ...I hope those words are meaning what I think they mean??? \O/ but with Yvonne..... me thinks harassed is more fitting We will miss her and we are so glad to have walked with her and her with us these past years! So all this to say.. “ Let’s be reminded to value those gifts from our father ... “friends” ... and to all our friends we truly are grateful for the intertwining of our lives and your great patience, love and care you show us. Will n Pam

NOTE: Education beginning with the English language is the most beneficial tool we can equip our children with. We need English-first language teachers with minimum Grade 12 and a heart to teach, english, math and the sciences..... It does not take a degree , it takes willingness, patience, and hard work. Grace is supplied. If you are able and willing and have references and there is no assistance from your family, friends or church fellowship perhaps we can find a sponsor for your airfare??? It starts with you saying “ Yes I will go!” \O/ then it opens up as to how \O/ So if He is touching your heart to come.... please step into the possibility. If workable it is good to come for a year however even a few months makes a difference not only in our children’s lives and futures but yours as well ... Mary our retired teacher friend from UK will welcome your coming as her, Pastor Belloh and Pam make the school all it can be. If you want to really make a difference this may be the place for you ????
