

# NEW *to* SELECT METAL 2019

## Curved Traverse Rod

Select Metal 1 3/16" HALF ROUND FASCIA TRAVERSE RODS may be continuous curved.

A template is required for all curved traverse rods.

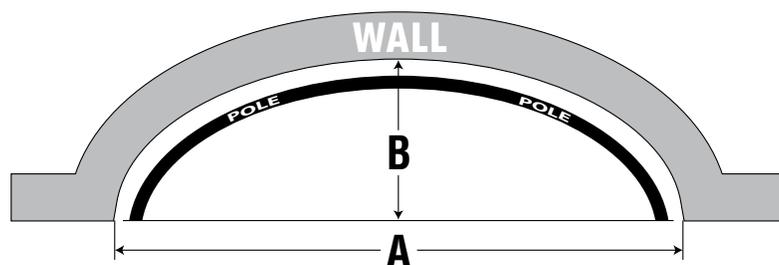

Curving and crating charges will apply.

DECORATIVE TRAVERSE ROD BRACKETS are available for a surcharge

### SPECIFY THE FOLLOWING:

- Wall or rod measurement (for pricing add A + B)
- Return and Bracket Style
- Finials must be specified and priced separately

*Please reference the Select Metal Brochure (2017SMB) and the Select Metal Price List (2017SMPL) for complete Select Metal Traverse Rod order specifications.*
