CLEANING AND SECURITY

The Huntington Beach Downtown Business Improvement District provides security and enhanced cleaning in the downtown corridor. EES has been working downtown since July providing extra security. Ambassadors are also extra eyes and ears for the police, while providing the public with information on what to do while visiting HB. Malco employees (blue shirts) provide porter cleaning services and the company also provides steam cleaning of the sidewalks. If you have cleaning or security concerns contact us.

New this year for Halloween Fest!! If you are outside the event area which is the first 3 blocks of Main St including half of Walnut and Olive (Surf City Nights layout) plus the first block of 5th St, but would like to participate you can! You will be given a space for a booth or table plus candy to hand out. You can set up something fun to do or just decorate. This will provide you an opportunity to hand out promotional material with your candy to the community. Attached is the candy form for those who plan to hand out candy for trick-or-treating from 5pm-8pm

The HBDBID is assisting Visit HB, who is sponsoring this international

surfing event, collect discounts the surfers can use during their stay. The discounts will be listed on a flyer which will be included in a bag each participant will receive in their pre-event packets. Every surfer will be wearing a wristband for the duration of the event that they can show to qualify for the discounts. Also, each surfer will have at least two adults from their country with them during the championships.

The VISSLA ISA Junior World Championships will be held October 27 – November 4 in HB on the south side of the Pier. This event will feature some of the best junior surfers from around the globe. The VISSLA ISA World Junior Surfing Championship is the largest Junior Surfing competition in the world. The 2017 edition in Hyuga, Japan hosted 306 surfers from a record-breaking 41 nations across all continents of the globe.

Please email bidmanager@hbdowntown.com by September 30th if you would like to participate and support this large group of young international surfers in their quest to reach the Olympics. *Include details regarding the discount they would receive....i.e.: percent off, dollar amount off, item free with purchase.*

The **National Cartoonist's Society Festival** is coming!! The Ruben awards are their version of the Oscars and the attendance is expected to be like a mini comic con. They are looking for businesses (40) willing to adopt an artist for their walking trail which will be listed on the map of the event area. The event area is from the HB Art Center to Pier Plaza, and from 5th Street to the Hyatt Hotel. You would be committing to the use of your windows for the artist comic strip or cartoon...example below, and a table for the artist to sit and allow the public to watch work. Plus a meal and drink for the artist would be appreciated. If interested please email bidmanager@hbdowntown.com to get added to the list.

Here is the link to their website <http://www.reuben.org/awards/>
