

Opening Day 2018

CRESTWOOD SWIMMING POOL ASSOCIATION

Volume 2

www.crestwoodpool.com

Welcome new and returning Crestwood members! We are looking forward to another fun-filled season! To enhance your fun for the 2018 season, once again, we have many activities planned. The current schedule is included within this issue of The Splash. Please pay attention to the bulletin board and website for updates.

Our staff will include many familiar faces and some new ones, including a new manager. Safety is our #1 priority, so always heed our lifeguards and feel free to contact them with any concerns.

For members who need to enter through the handicap entrance, please use the doorbell, which rings in the office. A guard will come out, open the gate and collect membership cards. Thank you for your cooperation.

A special 'Thank You' to all members who came out to the spring cleanup days. Your help in preparing the pool is very much appreciated. A lot of work is required to get the pool ready to open, so it's very helpful to have such great support from our membership. Cleanup refund checks will be included with your membership card.

We hope everyone has a great summer!

Personnel Report

Tonya Spiers, our new Pool Manager for the season, is excited to announce the team for the 2018 season. Many of you will recognize the familiar faces of returning team members:

Ashley Tamburro, Derek and Chris George, Karsyn Hanahoe, Jason Hollenbach, Katie Riley, Bryan Rudolph, Dawson and Isabelle Rutherford, Lauren Smith, Nick Tomczyk, Elizabeth Boyer, Abby Weller and Nate Stine!

We'd like to welcome a few new members including Ellie Machado, Colin Pinkerton, Sam Istenes, Tucker Rutherford, Rachel Schwenk and Brynn Schwenk - welcome!

The team looks forward to seeing how much the kids have grown over the winter and meeting any new members. Please make sure to let any team member know if you have any questions as the summer season kicks off. Lifeguarding is a very difficult job because the team watches the water for hours and most days nothing happens, however if an issue does occur their response has to be nearly perfect. In order to support them, it is important for everyone to know the expectations of our lifeguards.

- * Watching the water at all times.
- * Actively searching the water for a swimmer in trouble.
- * Lifeguards should be spread out, so they can see the water from multiple angles.
- * Conversation with members and other staff should be minimal and not distract from their primary role, guarding lives.

The entire lifeguard team is looking forward to a safe and fulfilled summer!

Reminder

As a courtesy to of our members, please do not come early and set up chairs, towels and blankets and then **leave** to return later in the day. There is plenty of beautiful space at our pool, so please only set up your area when you are there to relax and enjoy the day. Any reserved areas with no one present on the pool property to occupy the space will be removed by the staff. Enjoy the summer of 2018! Bring on the sunshine!

BEACH CHAIR REMINDER:

For the safety of all our members both young and old, beach chairs will **NOT** be allowed to be stored along the clubhouse wall near the ladies room. Day after day these chairs were left in such a way that it was impossible for people to find their chairs. We noticed many members climbing thru chairs and almost falling. For safety reasons all chairs must go home with you. Any chairs left at the pool will be disposed of immediately. Thanks for your cooperation.

Clean Up Refunds

Thank you to all members who participated in our cleanup days. Your help was very much appreciated. Cleanup refund checks will be with your membership cards when you pick them up at the beginning of the season. If anyone attended a cleanup day and your refund check is not with your membership cards, please see the Manager in the office.
