

**National Youth Track Coaches Association Members,**

Hope everyone had a great summer as you prepare for the upcoming cross country season.

**Reminder: The coaching enhancement grants offered for 2019 on our website for our members! We offer these grants to assist coaches in an opportunity to enhance their professional growth.**

**All current members, please go online and update your membership profile, this is vital that you your information so you will continue to receive information from us.**

The National Youth Track Coaches Association (NYTCA) shall act as the representative of the coaches of youth athletes for USA Track & Field.

Developing interest and participation in the coaching of Athletics in the United States at the youth level;

Promoting Youth Athletics and athletes by promoting outstanding technical and ethical coaching, and by cooperating with and encouraging other organizations which promote the coaching of youth athletes; and

Generating public awareness, appreciation, and support for Youth Athletics, thus creating opportunities for athletes and coaches in youth.

**Please forward this email to your Club Coaches, Youth Chairs, Association Secretary and Association Presidents.**
