

Join us at NE Sunday Parkways this Sunday

Whether you're walking or biking, join us at the NE Portland Sunday Parkways on July 23. During this free event you can connect with the community while getting some fresh air and exercise.

Between 11 a.m. and 4 p.m. you'll have traffic-free access to activities, music, vendors, giveaways and activities for the entire family at this beloved Portland tradition. This year, *Off the Sideline* will be joining in the fun as an "Intersection Superhero" with games and treats. Come on by and visit us at the intersection of **NE Going and NE 31st**. [Visit here](#) to see the full route and find out about even more activities in neighborhood parks during this special event.

Bag it Forward and support youth sports

Thanks to to the **Hawthorne New Seasons** for selecting *Off the Sideline* as their education-related charity for its Bag it Forward program. Beginning July 19, you can help us provide sports scholarships to low-income kids while you shop. Bring your reusable bags when you shop at the SE Hawthorne New Seasons, then select *Off the Sideline* to receive your nickle-a-bag refund when you checkout. It's an easy way to help youth build self-esteem, reduce health risks and improve social skills by participating in the sport of their choice!
