Dear Friends,

We look forward to reopening and serving you soon. Virtual April was fun, but like most we prefer the in person events. May and June still leave much uncertainty, however, we can be certain about one thing; we will still be having fun, and bringing you great homeschooling resources. Everything we offer will be FREE of charge.

Best,

Your friends at Mulliken District Library

## Summer Reading 6/15 - 7/30

This theme is one for the imagination to explore! Stop in on June 15th to pick up your reading log. This program will be for all ages, with prizes accordingly. We have fun for everyone! The traditional guessing game will continue on, along with other fun events. Don't miss the first day of Summer Reading to get all your information.

### Escape Rooms

**MAY 11<sup>TH</sup> - 15<sup>TH</sup>**

We will have another Virtual Escape Room. The theme is Magic Tree House. Jack and Annie have been trapped in their treehouse. Can you help them solve the clues so they can escape?

**JUNE 15<sup>TH</sup> - 26<sup>TH</sup>**

Kick-Off Summer Reading the right way, taking on the Escape Room. We will theme the room to match Summer Reading, so make sure your imagination is ready. We are hopeful June's will be at the library and not virtual.

*"Summer reading programs really do improve kids' reading skills and increase their desire to read. Additionally, according to the School Library Journal, those who participate not only mitigate any summer learning loss, but they even show gains."*

### Easter Egg Hunt

Mulliken District Library does not want some of the fun opportunities to be cancelled, just merely delayed. We are prepared to bring everyone an Easter Egg Hunt when quarantine is lifted, and events are able to be resumed. Many kids had lost opportunities, and we don't want this to be another cancellation due to COVID-19. The Mulliken Food Pantry Benefit Breakfast will still be put on by members of the community during the Easter Egg Hunt as well. As we get closer to this event becoming more of a reality, we will release more information. Please follow us on Facebook, Instagram, and watch our website for updates.

### Winter Reading Program

We were forced to close before we could finish our Winter Reading Program. The first week we are opened to the public, we will allow people to bring in their list of books they have read while we were quarantined. We will enter your names in the drawing, and at the end of the week, we will draw for the final prizes.
