From the Presidents' Desk

When Marilyn and I began our second year as presidents, we envisioned how we could build a better square dance club through the strong commitment and efforts together with you, our members. Now, as we near the end of 2016, we realize how lucky we are to be a part of such a successful and vibrant Trail Duster group. So, as presidents, we would like to give you our "State of the Trail Dusters" end of 2016 report.

We began building this Trail Dusters year with a large and energetic class of Rail Dusters brought into the club by our active membership. Our class members are having fun, are actively participating in class functions, and are doing a fine job of learning and mastering the calls and square dance movements. Bravo to our fine class.

Our membership drive under the leadership of **Carol & Richard Lewis** is just about complete with almost 100% renewal.

Our charitable drive for the Ronald McDonald House, again in the capable hands of **Rusty and Norm Kaman**, is once again another booming success.

The New Year's Eve committee is meeting regularly to make sure that our fun and enjoyment of this year end party will be better than ever – see article page 5.

Our pre class meals, thanks to the efforts of **Rhonda & Bill Shapiro**, are packed with Trail and Rail Dusters – see article page 5.

Our November dance with our traditional "Thanksgiving in a Cup" created by **Maureen Fried** was great fun. Thanks to the excellent calling of Vic Ceder and the wonderful cueing of Milo Molitoris, the energy on the floor kept the dancers on their feet the whole evening – see article pg 3. **Remember we are dark in Dec.** We will be anxiously waiting to attend our first dance in 2017 on January 14 with our own teacher, **Arlen Miller**, calling that dance.

Our building plans continue with gusto in 2017. The Student Stomp is scheduled for **Sunday, January 29th**. This is a dance where our Rail Dusters will be able to show off their new square dance knowledge and skills and have a great time dancing to callers they haven't heard before.

Marilyn & Hy Katlein are now planning for the Glendale Theater

annual event, **Saturday, March 25** to see **"Bye, Bye, Birdie."** This

will be another big event in 2017, so be sure to save this date.

Also being planned is our Spring Get Away weekend scheduled for **May 19 – May 21** at the DoubleTree in Anaheim.

Join us for all these events. There will be fun and laughter for all and memories to treasure. Watch for the details as we get closer to each event.

Our year end "State of the Trail Dusters" report clearly shows how working together is what makes our club a great one. We are beginning a new year strong as ever. We are all great builders.

Thanks to all of you whose labors of love have made Trail Dusters

so successful. Marilyn and I wish you all a wonderful and enjoyable holiday season filled with an abundance of the warmth and love of the season.

We'll see you in a square.

Marilyn & Len Bloom

Fun Time Comes to our Wednesday's Classes with Halloween Costumes

Our Wednesday night class was once again filled to capacity and we had some brave Rail Dusters and Trail Dusters who showed up in costumes. Our winners received mystery wrapped gifts.

Denise Kurtzer won for "Most Original" costume in her plastic bag wrap from Bye Bye Baby. **Terry Holtzman** took a prize for the

"Scariest" costume and **Tracey & Tom Bolton** ran away with

the "The Most Creative" prize for their Lancelot and

Guinevere costumes.

We also loved our football player, cheerleader, bikers, Carmen Miranda, and other spirited entries. Not everyone could

win a prize but we are all winners for showing up and having fun

dancing.

(see group picture on page 8)

and College Football Colors

Who knew that so many cross town rivals could be dancing together on Wednesday nights! We also snuck in a few random other colleges in the crowd. Team spirit was at a high and the refreshment table reflected the

rivalry with USC and UCLA decorations. Unfortunately, the Mighty Bruins were not destined to victory this year but we're not worried. Next year is just around the corner!

(see group picture on page 8)

Our November Salute to the Troops

What do you get when you cross Veteran's Day with Thanksgiving? A Patriotic Turkey or a fabulous Square Dance Night! That is exactly what happened at our November 12th dance at Wilkinson with Vic Cedar calling and Milo Molitoris cueing. Vic's sense of humor was only surpassed by his creative ways of stirring the bucket.

The room was filled with happy Trail Dusters, dancers and

our refreshment tables were a sight to behold with American Flags and rustic turkeys.

The turkey centerpieces were filled with sunflowers and other appealing fall foliage.

Maureen Fried once again surpassed our expectations with her traditional "Thanksgiving in a Cup" sampler. Behind the scenes was an assembly line of volunteers filling cups with mashed

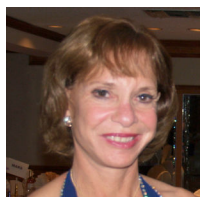

potatoes, stuffing, turkey and a cranberry sauce topping. **Sandra Sobel** prepared the veggies and dip. Ice cream and cookies finished up the

night. It was a wonderful evening.

Don't forget that we are dark in December because we want all of you to rest up for our fabulous New Year's Gala.

Sunshine & Showers

This has been a year of ups and downs for many of our Trail Duster family members. Fortunately, we can end the year on a positive note by saying that everyone at present is on the mend and doing well.

Andy Shapiro, son of **Rhonda** and **Bill Shapiro**, was diagnosed with thyroid cancer at the young age of 32. Thankfully, Andy is doing well following his November 3rd surgery. Andy, you have a large rooting section within our club—including some people you don't even know! We're all wishing you a rapid and full recovery so that you can go on with your life enjoying the best of health!

It's wonderful to see **Marilyn Katlein** out and about while continuing to recover from her October 24th surgery. **Marilyn**, we hope that each new day finds you feeling stronger and closer to being completely well again – and back on the dance floor with **Hy** real soon!

One of our family members is still recovering at home. **Miriam Brauner** underwent back surgery on October 31st (what a way to celebrate Halloween!) This is one procedure that takes time to heal, but **Miriam** has been great about keeping in touch with friends via e-mail. Hubby **Bernie**, who also underwent back surgery recently, tells us that **Miriam** is making progress. **Miriam**, we all look forward to seeing you back at class and club events as soon as you are ready – which we hope will be in the near future! Meanwhile, take care of yourself and know that you are missed!

Ken Burkenheim is recovering from TWO recent surgeries. On November 8th, he had parathyroid surgery, and soon after that came cataract surgery! **Ken**, we're wishing you a speedy recovery from both procedures so that you are able to enjoy your big travel plans early in the New Year! We look forward to seeing you back with us as soon as you are able.

On a very different note, **Sherwin Silver** is celebrating a special personal achievement. While he has been playing golf since the age of 14, it wasn't until recently that Sherwin **FINALLY** made his first hole-in-one! This 142-yard fete was accomplished at hole #3 at the Van Nuys Executive Course! Now **THAT'S** what we call perseverance! The lesson here is clearly, "If at first you don't succeed. . ." Congratulations, **Sherwin!**

As we approach the final month of this year, it is hoped that each of you will conclude the year in good health and with only "sunshine" in your life. Please remember that I'm here to share your happenings with the rest of our Trail Duster family. Rail Dusters, this goes for you as well! You are part of our family! If you have a message to get out to our membership, please be sure to contact me at the e-mail address shown below.

Warmest wishes for your well being,
Rusty Kaman

Ways & Means

We know the most important question on your mind is not, "What new square dance calls am I going to learn in December," but "Where is dinner?"

We are so happy to see so many of you at our "I don't have to cook tonight" Wednesday night dinner before class. Besides having fun, gearing up to dance, and getting to know so many wonderful people, we are also making a nice bit of change for our club. If you haven't been joining us, give it a try. We can't wait to see you there.

FOOD DRIVE IN ITS FINAL WEEK!

TRAIL DUSTERS SUPPORT THE L.A. RONALD MC DONALD HOUSE

RONALD MCDONALD
HOUSE CHARITIES

The LA Ronald McDonald House "Help Yourself Pantry" is about to look far more plentiful than it has in quite some time – THANKS to the TRAIL DUSTERS and RAIL DUSTERS! Since mid-October, donations have been coming in to support our club's annual Drive, this year to purchase food for the 75 families that reside at RMH at any given time. At this time of writing, we are continuing to shop for non-perishable food items that will be picked up from our home and delivered to RMH the first week in December.

We are doing our best to stretch your dollars in order to get the most we possibly can! Just today, we made a HUGE purchase at Albertson's in Newbury Park, where the original total was \$523, and the final purchase price was \$210!!! That's a 60% savings! We can tell you that because of the generosity of so many of our club members, the staff at RMH has a BIG job ahead of them as they stock the currently empty shelves of the "home away from home" for so many families. Your contributions are also making it possible for them to put away a large supply of food items in their newly prepared storeroom and used as the pantry runs out.

To all of you who participated in this year's Drive and contributed to the success of our club's efforts, you can be proud of our accomplishments! We, as your Drive Chairs, certainly feel proud and we want to express our

sincere and heartfelt thanks for working with us to reach our goal. Next month, we will report to you the final outcome of our collective efforts.

With our warmest thanks,
Rusty & Norm Kaman,
Food Drive Chairs

Coordinators Corner

We hope you all had a wonderful Thanksgiving celebration and would like to let you know how thankful we are for our wonderful new Rail Dusters. We also thank all of our Angels who are coming every Wednesday to help them learn how to square dance. As you all know, it would be impossible for the class to learn without the help of our Angels and we always **need more of you**.

We would also like to mention that it would be appreciated if everyone could please be on time. The class starts promptly at 7 PM and it's a scramble for everyone to find their partners and get into a square, so if you can make an effort to get there **before 7** that would be great!

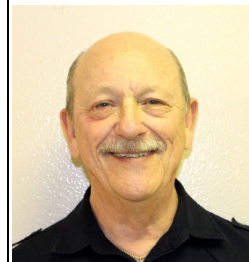

Trail Dusters, also please continue to welcome our new class members and invite them into your squares. It would be very helpful to your coordinators if you try to **balance out the squares with Angels and new dancers**. We are pleased with your willingness to split up and help them.

We are planning more events in the near future - on Sunday December 11th we will have our first workshop at Caren Blumfeld's house from 3 to 5 PM. Arlen has agreed to call and review and we'll

be needing some Angels for this event. We hope to get lots of volunteers and dancing will be followed by dinner at Stonefire Grill.

Let us introduce you to three of our new "Rockin Rail Dusters".

Alex Strouzer is not new to our club because he spent all of last year sitting on a chair watching his partner, Cindy Kestenbaum, dance as he was recovering from injuries. This year he is back and dancing.

They have two sons, David and Michael, and a grandson, Gavin. Alex was born in London, England, moved to New York, and eventually settled in California. He has a degree in criminal justice and police science and is retired from the LA County Sheriff's Dept. as a Crime Scene Investigator. CSI is one of the most popular TV shows and it was Alex's real life. Alex was also a combat photographer in the Vietnam War, and he was in the Merchant Marines in the Mediterranean.

Alex says the most exciting thing he has done is being with Cindy and his boys and grandson. They must be a handful considering his experiences in Vietnam! A big thank you goes to **Sandy and Dale Kaufman** for bringing them into our club.

Our next Rail Duster is **Elaine Parlen**, but most people call her "Lainy". She has two daughters and

two grandchildren. Lainy lives with a wonderful man named Jerry.

Twin grandsons are due in November, so they have probably been born by the time you read this. Elaine was born and raised in Los Angeles. She is retired now but worked for the Skirball Cultural Center as Director of Private Events for 23 years. Lainy is a perennial "matchmaker". She loves to bring couples together. If you know a single man, she has the perfect girlfriend for him! If you know a single man, send him to our club dancing!

Eleanore "Noor" Pekala' was born in Zaandam, Holland. Her nickname is "Noor" which is short for Eleanore in

the Netherlands. She then moved to Northridge.

Eleanore has a daughter Katy and a boyfriend John O'Rourke. She is a retired hairdressing artist but is thinking about going back to work. She considers herself a lousy vegan (I guess she cheats a little) but is a whiz at doing updo's. You men might not be interested but she also does long hair.

Eleanore heard about us from Otis because she is always looking for more floor time and wants to learn to dance the boy's part. She loves to round dance also. We all welcome her to Bay Laurel.

Each month we will introduce more of our Rail Dusters. Right

now we have in our class 3 couples, 7 single men and 12 single women.

See you in a square,

Flo Tapp & Janice Reiss

Dear Members of the Nobody Goes Home Hungry Club

DID YOU KNOW: There are more than 2000 varieties of cheese available worldwide and that mozzarella is the favorite and most consumed cheese. The people of Greece are the largest individual consumers of cheese. They consume an average of 60 pounds of cheese per year of which about half is feta cheese.

As always thanks to everyone who has helped us in the kitchen this month. A special thanks to **Sandra and Robert Sobel** for helping us every week last month in the kitchen. Thank you so much. It was greatly appreciated.

For all of you who brought dessert, cheese and crackers, and fruit, thank you very much. I think we can speak for all the members of Trail Dusters when we tell you it was all delicious. Also thanks for helping us set up and for the help cleaning up after dance is over. Wishing you all a very happy and merry holiday this month and

looking forward to a wonderful New Year's Eve together with all our friends.

Finally, don't forget that if you cannot bring food on the night you are assigned. please make sure you make arrangements for someone to cover for you. E-mail us and let us know what changes you have made. If you absolutely cannot find someone to cover for you. call us and we'll help you.
