Meeting Minutes

Next meeting is Aug 10th, 2021

Michelle Stacks: (President)

Would like to visit Venmo as payment option. There is no fee to use. Would love the blow up run through that Navarre has. Was quoted a price of \$4k. If can get assistance to help purchase would be great. Program info is to be turned in 8/6.

Mrs. Shannon (Principal)

Per meetings, Mask are not mandated however we'd like for our teams to have full seasons. Can't quarantine without remote learning However won't be remote as we know from past. Will be proposed in next meeting that quarantined students have google meet available to hear instructions. Trying to transition from Covid learning. Getting updates from CDC and info can change daily.

Ticket pricing K-5 students are \$1. Students is same as adults \$7. Seniors will have badges and free for games. No answer for if our students can get discount pricing if pre sold tickets. Will have Gofan and must be used for all entry to regular games. Inquiring if can do an All sports pass. Issue so far is how do you divide the funds per sport. May have to do a seasonal sports pass. Will check to see if Gofan can upload season passes, district employees and game volunteers. As it stands for parents with non West Fl children for game entry is to buy through Gofan or a membership pass. Still working on a solution. 20 year Anniversary on Homecoming Sept. 17th Big deal. Lots of fanfare. Trying to get approved for a virtual hall of fame. If approved will be unveiled that day.

Finance

**Tameka Leonard (Treasurer), Current bank balance \$24,526.86*

Coach Rhett,

Recommend we offer a Childs pass through the Booster Club as well as a Pass gate. Our Childs pass will be \$10 for K-5 for ALL home games. For older students recommend they purchase a membership.

Red/Black game is \$5 for ALL that enter. NO PASSES. Would like to do \$2 pizza and a combo for \$5. Can do hotdogs \$2 combo \$5. We have Honor Guard to help park cars at all home games from the Criminal Justice Academy. They don't touch money. Designated parking for QBC Members. Cushion pricing received a quote for a min of 150. Will continue to look.

What do we want to do with the damaged Spirit Shack? Have a quote to rebuild. Responsibility is ours since owned by us. A.D feels its safe if tires inflated. Contacted by Sports Engine that does website, recruiting, messaging, chats, scheduling etc. They'd like to have demonstration. Would like to have Bi-weekly meetings during the season. 20th will serve players Dickies. Total number including Coaches is 60 for JV/Fresh. Varsity is 60-65 including Coaches.
