## About District 279 Foundation

### *An Investment in Youth*

District 279 Foundation was chartered in 1991 as a nonprofit 501(c)3 organization to provide learning opportunities for all students in Osseo Area Schools. For more than 25 years, District 279 Foundation has donated more than \$2.4 million to fund educational programs and activities in schools across Independent School District 279 (ISD 279).

Located in Hennepin County, ISD 279 is the fifth-largest school district in the state of Minnesota, serving all or parts of Brooklyn Center, Brooklyn Park, Corcoran, Dayton, Maple Grove, Osseo, Plymouth, and Rogers. District 279 Foundation partners with the school district, parents, students, volunteers, city officials, civic organizations and the business community to support and make a difference in Osseo Area Schools.

## Our Mission

District 279 Foundation seeks to provide all students in Osseo Area Schools with the resources and support they need to excel in school and in life. The funds for these programs are generated from employee and community member donations, corporate sponsors and silent auctions. Everyone benefits when opportunities are provided for youth as a result of the Foundation's partnership with the community.

One principal shared the following impact of a Foundation program; "This experience will stay with these students for their entire lives. Their eyes have been opened, and they have learned a tremendous amount of knowledge they never would have otherwise."

## About A Night of Inspiration
