July 27th: CHAMPS @ SSC	We will need volunteers!!

Frequently Asked Questions:

Tiger Pups:

Q: Are there are prerequisites to sign my child up for Tiger Pups?

A: Kids that participate in the Tiger Pup program should be potty trained, have had some previous swim lessons and a willingness to participate.

Q: I signed up my child for Tiger Pups but they don't like it, now what?

A: If your child does not wish to continue with Tiger Pups after a few lessons, please let Jim or one of the boosters know so that another child may be able to enroll and lessons can be staffed properly.

Q: Do Tiger Pups participate in team activities?

A: Attendance at JV or Varsity meets is not required but participation and support for the SSC Team members is always welcome. Tiger Pups do have an end of year party on the last day of their practices.

Q: Do Tiger Pups get a team shirt?

A: In past years we have done t-shirts for Tiger Pups but we typically end up with a bunch of shirts that are never picked up. This year we will not be offering t-shirts for the Tiger Pups but will instead be doing something else for them which will be distributed at practice.

Q: Is there a deadline to sign up for Tiger Pups?

A: Typically this fills up fast so we have not done a deadline as we have a wait list before the lessons start.

Swim Team:

Q: Is attendance required at all meets throughout the season?

A: Each week there is a commit by date in Team Unify to declare for the upcoming meet. Although it is not required, it is recommended your swimmer attend as many meets as possible.

Q: Are swimmers eligible to swim in JV and Varsity meets:

A: Swimmers 12 and under, who are deemed eligible by Coach Josh can participate in both JV and Varsity meets. A list of eligible swimmers will be posted at the pool for commitment earlier in the week before the JV meet. They will be placed in events as designated by the coaching staff. Varsity meets are commitment through Team Unify, JV sign ups are via a sheet at the pool early in the week before the JV meet.

Q: Is there an opportunity for older swimmers to help with younger swimmers and Tiger Pups?

A: Any older swimmer (16+) that would like to help with Tiger Pups or with helping at the younger swimmer practices can do so by speaking with Coach Josh or Coach Jim.

Q: Do SSC Swim Team members receive a t-shirt?

A: Each member of the team does receive a team t-shirt. In the signup link there is a section to select the desired shirt size.

Q: Does my swimmer need to stay until the end of the meet even if they are swimming early and will be done?

A: Even if your swimmer is done before the end of the meet, it is requested that they stay until the end of the meet in case they will be needed for any relay events, to cheer on their team mates and participate in the post meet cheer.

Any additional questions can be directed to the your swim boosters via Team unify or e-mail directly to: richcampagna2@gmail.com
