If there is anything that we can do to make this autocross a great day for you, then please let us know.

DIRECTIONS TO THE COURSE:

We will be using the smaller city parking lot for trailers and the staging area. This is the parking lot on your RIGHT after you go past the Festhalle and cross the river on Edelweiss Strasse. The parking lot on the LEFT will be used for the Autocross course.

INFORMATION:

Your Registration Packet & Inspection Sheet will be at the staging parking lot on Friday morning. The inspection sheet is available for viewing and printing on the website. If you know anyone who is NOT registered but wants to race, please direct them to the Festhalle to get registered.

Since the City parking lot we are using for staging is the smaller of the two lots, we ask that, if your car is street legal (has a tag), then please leave your truck & trailer in your hotel parking lot and drive your car to the staging lot.
