

ST. MARY'S SCHOOL ALUMNI SPOTLIGHT

Corey Brimacombe DDS

After graduating from St. Mary's School, Corey continued his education at Tomahawk High School (Class of 1990), UW Eau Claire (undergraduate), and University of Minnesota (dental school and residency). Dr. Brimacombe practiced with Dr. Dean Hussong in Tomahawk for two years where he realized his desire to work with children and adolescents.

Dr. Brimacombe joined with four partners to form First Impressions SC . . . specialists in pediatric dentistry and orthodontics. Their business started in Wausau with one office and ten employees and has grown to one hundred employees in eight cities throughout northern Wisconsin. This growth was recognized when Corey (pictured second from left) and his partners were honored in 2012 by the U.S. Small Business Administration as Wisconsin's Small Business Persons of the Year. Corey and his partners treat all children in northern Wisconsin regardless of their family's financial means.

St. Mary's is proud of you
and all you do for children . . .
you make us smile ☺
