

Kayshannique L. Collie

Biography

Kayshannique L. Collie was born in the beautiful Commonwealth of The Bahamas. As an author and motivational speaker, Kayshannique has a burning desire to be an agent of change in the world. Her greatest passion lies within helping people to discover their purpose and empowering others to maximize their highest potential in life through the word of God. It is her belief that if everyone is living in purpose and maximizes their highest potential in all areas of their lives the world would be a better place. The Universe would be filled with happier and progressive people.

Kayshannique plans to use her background in the media industry along with books and speaking engagements to get her life-transforming message around the world.
