## A Fast, Healthy, Efficient Way to Cook

Fagor is one of the leading pressure cooker brands in the United States. Our mission is to provide pressure cookers and small electrics that are energy efficient, innovative and dependable. We employ environmentally and socially sound manufacturing and distribution standards for all of our divisions and suppliers.

Fagor offers customers the unique opportunity to enjoy delicious and nutritious meals with cooking time reduced by up to 70% when pressure cooking. Our small electrics collection has the most advanced technology and offers countertop convenience, healthy meals and energy efficiency, all at your fingertips.

### Why Choose Fagor Pressure Cookers?

**FAST & ENERGY EFFICIENT** – Pressure Cookers are 70% faster than traditional cookware. Less time spent cooking translates into less energy used.

**EASY** – Load ingredients, close the lid and let the pressure cooker do the rest.

**HEALTHY** – Pressure cooking retains vitamins and nutrients and maintains a lower fat content because it uses less fat and oil.

**SAFE** – Fagor Pressure Cookers have three independent safety features, making them completely safe to use.

**VERSATILE** – You can cook a variety of different dishes, from appetizers and entrées to delicious desserts.

### Why Choose Fagor Small Electrics?

**ENERGY EFFICIENT** – Fagor induction cooktops cook food 50% faster than gas or electric, and are 90% more efficient.

**VERSATILE** – All of our units can be used to cook a variety of recipes from appetizers and entrées to desserts.

**INNOVATIVE** – Fagor's knowledge of cooking technology has allowed us to introduce some of the most innovative electrics to market including the multi-cooker. We have pioneered this category which is now recognized by the cookware industry and continues to grow every day. All of Fagor's small electrics are powerful, portable and can be used for everyday cooking.

**SAFE** – Fagor provides customers with many safety features to ensure complete security when using any of our small electrics.

## TERMS AND CONDITIONS

**PAYMENT TERMS** Net 30 days from date of invoice. Returned checks and late payment fees will be applied.

**SHIPMENT** All shipments are made FOB Warehouse, located in Walnut, CA.

**MINIMUM ORDER** Opening order of \$250 required and minimum repeat orders of \$200 after. A handling charge of \$10 will apply on all orders with a value of less than minimum established. Minimum order per item is one case pack (\$10 fee will apply if case packs are broken).

**RETURNED GOODS** Goods returned will not be accepted for credit without authorization. A restocking charge of 15% will apply to all returned goods for credit where Fagor America is not at fault. To request a return authorization number, please email a request sheet with description of damaged goods to: [returns@fagoramerica.com](mailto:returns@fagoramerica.com).

**SHORTAGE OR DAMAGE** Fagor America will issue credit on shortages and/or damages only if claim is reported within 7 days of delivery.

**DEFECTIVE MERCHANDISE** Goods returned as "defective" are subject to inspection before claim can be accepted.

**DROP CHARGE** A \$5 drop ship charge applies to all individual shipments.

**ROUTING** Unless specified, shipment will be made the best way possible.

**DUNS NUMBER** 947796314

**CREDIT** All orders are subject to credit approval by our Credit Department. In the absence of satisfactory references, we reserve the right to ship goods prepaid.

**ALLOWANCES/CHARGEBACKS** Approved Allowances/Chargebacks must be submitted during the current fiscal year or at most, 2 months following the close of the fiscal year. If reseller agreement is terminated, all Allowances/Chargebacks must be submitted within 6 months of termination or from the date of the last sale, whichever comes first.

## **NEW HELIX LINE**

The Fagor Helix Pressure Cooker line is designed with the latest innovation - an automatic universal self-locking mechanism, that ensures the utmost ease of use. The lid needs no alignment as you can lock it in place at any position on the pressure cooker pot. The ergonomically designed handle allows easy and secure one-hand opening and closing. The Helix comes in 6 qt, 8 qt and 10 qt capacities. *Available May 2017.*

- Constructed of durable Stainless Steel .
- Operating spring valve with two pressure settings: Low (8 psi) and High (15 psi) and an automatic pressure release system.
- Wide diameter base for better browning and searing.
- Pressure indicator and Max-Fill Line.
- Automatic locking lid.
- Works on all domestic cooking surfaces: gas, electric, ceramic and induction.
- Includes a steamer basket with trivet, a full color cookbook with over 50 recipes and a user's manual.

| SIZE   | ITEM#     | UPC CODE        | PACK | WT. LBS | CASE DIMENSIONS (LxWxH)/ CU. FT |

## HALOGEN TABLETOP OVEN

Grill, broil, bake, steam, roast or air-fry while saving energy! This highly efficient and portable halogen oven is ideal for low-fat cooking. A powerful internal fan circulates hot air to cook food uniformly and seals in natural juices for full flavor and aroma.

- 12 qt. capacity + 5 qt. extra with extender ring.
- Cooks 25% to 50% faster and is more energy efficient than a conventional oven.
- Dishwasher safe glass body.
- Dials for timer and temperature control.
- User's manual with over 30 recipes.
- Uses 110 - 120V, 1200W.
- ETL approved in USA.
- Includes: two stackable racks, tongs, stainless steel extender ring, PFOA-free non-stick pan and lid holder.
- 1 year warranty on all parts.

## SILICONE GASKETS (FOR STOVETOP PRESSURE COOKERS)

Fagor's silicone gaskets are crucial for proper pressure cooker use. The silicone gasket seals in the pressure, assuring that your meal is cooked to perfection. The silicone gasket must be replaced yearly or bi-yearly, depending on use. Guidelines for silicone gasket sizes available online at [www.fagoramerica.com](http://www.fagoramerica.com).

- Silicone pressure cooker stovetop gasket.
- Available in two different sizes (9" or 10").
